

Bitter Convention Produces Good Democratic Campaign Team

Dick Milliman

By DICK MILLIMAN
Of Panax Newspapers

CHICAGO — One of the most bizarre national conventions in the history of either American political party has now come to a close in Chicago.

Out of it comes one of the better campaigning teams in recent memory to carry the Democratic banner — Hubert Humphrey for president and Sen. Edmund S. Muskie of Maine for vice president.

Out of it also comes one of the most formidable campaign tasks any team of candidates has ever faced — pulling together a usually effective political party ripped asunder here in Chicago by emotion, dissent, personality conflicts and bruises to both bodies and egos.

The Republican party, faced with somewhat similar prob-

lems four years ago, did not master the task.

Humphrey Heals

In his acceptance speech Thursday night, Mr. Humphrey took what may turn out to be a long step toward healing the wounds. Unlike Sen. Goldwater's posture four years ago, Humphrey went to great pains to permit graceful reconciliation of anyone who may be dissident yet.

Whether unity will result remains to be seen.

Healing the wounds created or deepened by this convention with just 10 weeks before the election probably poses a bigger problem for the Humphrey-Muskie ticket than beating the Nixon-Agnew ticket. If the Democrats can accomplish the former, they probably will accomplish the latter.

The memories from this convention likely will not be happy memories for most delegates.

Dissent On War

The abiding memories will be about bitter dissent over the war in Vietnam... about Chicago police officers and tight security... about bashed heads and cracked ribs of newsmen and peace demonstrators... about disturbances in the streets and in the parks of Chicago... about Chicago Mayor Richard Daley, his packed galleries and the swirl of controversy about excessive policing tactics... about high-handed and questionable parliamentary tactics and rulings.

But there have been some memorable moments.

Humphrey's acceptance speech and the convention's conclusion may turn out to be one. It ap-

parently produced unity and enthusiasm on the convention floor — at least, more than had been there earlier.

One high point certainly was the fact that this convention offered a full scale platform for extensive public debate of the core issue troubling America today — the Vietnam war. This was a courageous action by a political party to use the platform debate at its national convention to air before the world the nation's differences.

Role For Negroes

Another was the series of maneuvers, early in this convention and half-forgotten by convention's end, that broke up the lily white complexion of Southern state delegations.

It is to the credit of the Michigan delegation that it was more intimately involved in the mem-

orable activities than in the unhappy ones.

The problem of reunification extends to each state, of course, especially where McCarthy and McGovern and to some degree the late Sen. Kennedy had effective organization.

Leaders of the Michigan delegation officially proclaim to see no great problem in mounting an effective campaign in Michigan. They are satisfied with the Humphrey-Muskie ticket and the platform. Michigan favored both in convention voting.

But some other Michigan Democrats aren't so sure.

U.P. For McCarthy

For example, Delegate Andrew Wisti of Hancock said he thinks McCarthy would have run better in the Upper Peninsula than Humphrey, and Delegate Charles Moskowitz of Mt.

Pleasant expressed the same feeling about his 10th District.

Moskowitz also pointed out that the McCarthy campaign had brought several new activists into the party in the 10th District, where he is chairman, and he is not sure they will stay active now that their champion has lost and has declined — so far — to support Humphrey.

If actions at this convention are an indication, the Michigan leaders who see the problem of unity as only slight could be overly optimistic.

Leaders Divided

Sen. Phil Hart, for example, was for McCarthy. State Chairman Sander Levin and Detroit Mayor Jerome Cavanagh were for Sen. McGovern. Attorney

Pilot Of B-52 Avoids Missiles Before Crash

CAPE KENNEDY, Fla. (AP) — "I was trying for the ocean and almost made it," said the pilot of an Air Force B52 bomber that skidded over populated areas and a nuclear submarine before crashing Thursday night in a remote area of Cape Kennedy.

The fuel-loaded Stratofortress exploded as it smashed into an Atlantic beach about two miles from missile row at 8:50 p.m., plowing a deep furrow in the ground and scattering charred wreckage over a wide area.

Crewmen Safe

All seven crewmen bailed out. The Air Force said they received only minor injuries.

There was no damage to facilities at Cape Kennedy where several rockets are poised on multimillion-dollar launch pads, including the Saturn 1B which is to launch the first three-man Apollo astronaut team into orbit in October. There also were several thousand workmen at the cape at the time of the crash.

The Air Force said the pilot, Maj. Bobby L. Ward of Universal City, Tex., avoided a potentially disastrous situation by staying with the disabled plane until the last moment as it passed over the cities of Cocoa, Cocoa Beach and Titusville and Port Canaveral.

The \$10-million B52 had engine trouble soon after takeoff from Orlando's McCoy Air Force Base, about 50 miles west of here.

The Air Force said Ward ordered the crewmen to bail out.

Maine Senator Wins Approval From Delegates

CHICAGO (AP) — With a little-known senator from a small state as his handpicked running-mate, Democratic presidential candidate Hubert H. Humphrey starts a campaign that will first require plugging the gaping holes of party unity.

At Humphrey's request, the Democratic National Convention Thursday night dutifully delivered the vice presidential nomination to Sen. Edmund S. Muskie, a former Maine governor who has acquired the reputation of a capable senator, but not national popularity.

The convention closed after a week of discord, sometimes vitriolic, on a night marked again in downtown Chicago by police and National Guard troops firing tear gas and swinging clubs to break up demonstrations by anti-Vietnam war protesters.

After going through the motions of selecting Muskie, delegates cheered and waved banners to the tune of "Happy Days Are Here Again" as Humphrey took the podium to accept the presidential nomination and plead for national unity and justice.

Areas Of Agreement

Signaling his promotion from President Johnson's team to his now sovereign position as his party's nominee, the vice president told the delegates that their areas of agreement are much greater than those of division.

On the sorest issue of all, he said: "Let those who believe our cause in Vietnam has been right — and those who believe it has been wrong — agree here and now: Neither vindication nor repudiation will bring peace or be worthy of our country."

"If there is one lesson we should have learned, it is that the policies of tomorrow need not be limited by the policies of yesterday."

"If I am president, I shall apply that lesson to the search for peace in Vietnam as to all other areas of national politics..."

He told the convention that the "trouble in America... comes not from lack of faith but from a killing of hope." He said new aspirations have been awakened but have been accompanied by impatience for solutions of the problems of race, poverty, crime, hunger and despair. But he added:

"Disorder Destroys"

"Violence breeds counterviolence. Disorder destroys. Only order can build. Riot makes for ruin, reason makes for solution." He said any president must assume responsibility to "guarantee to every American the right to personal security."

With the pattern of his campaign thus sketched, Humphrey begins overhauling the party organization with the election today of a national party chairman to succeed John M. Bailey of Connecticut, who has served in the spot since 1960.

Gov. John N. Dempsey of Connecticut said the word had come down that Lawrence F. O'Brien, former postmaster general and a long-time political adviser to the assassinated Ken-

Troops Fire Gas On Demonstrators

BULLETIN

CHICAGO (AP) — Police stormed through the 15th floor of the Conrad Hilton Hotel early today, clubbing and chasing supporters and aides of Sen. Eugene McCarthy after a barrage of smoked fish and empty beer cans clanged down on Michigan Avenue.

The police swept some 50 youths from the floor down to the lobby. Police said there were no arrests. They said none of the youths were registered in the hotel. McCarthy's people claimed otherwise.

CHICAGO (AP) — Illinois National Guardsmen fired tear gas on 3,000 antiwar demonstrators and a number of Democratic National Convention delegates Thursday night.

Seventy-nine persons were arrested, including eight convention delegates or alternates and two newsmen.

The demonstrators — from varied backgrounds — protested administration war policies, the conduct of the convention and alleged police brutality.

Mass Arrests

The demonstrators, many wearing delegate identification tags and buttons supporting the candidacy of Sen. Eugene J. McCarthy, were stopped in their attempt to march to the International Amphitheatre, site of the security-tightened convention five miles away.

Mass arrests came later in a confrontation between National Guardsmen and a mile-long line of marchers, led by Dick Gregory, Negro civil rights activist who had invited the demonstrators to his South Side home.

The marchers were told at 18th Street and South Michigan Avenue that any further advance would be met with arrests.

Gregory and Thomas Day Frasier, a paraplegic and a Democratic county chairman from Tulsa, Okla., ignored the order and were immediately arrested. Frasier was in a wheel chair.

Sit Peacefully

Rock-throwing followed as guardsmen fired tear gas and used rifle butts to disperse the crowd. More tear gas canisters were fired and the crowd dispersed to regroup at Grant Park, across from the Conrad Hilton Hotel, hub of downtown

convention activity.

There the demonstrators sat peacefully on the littered grass of Chicago's lakefront as the odor of the gas lingered in the nighttime air. Convention delegates returned to the Hilton under the armed security of 1,400 guardsmen, six lines deep in front of the hotel.

Television spotlights bounced off military vehicles, lined for six blocks in Michigan Avenue. Delegates and party aides stood on a hotel balcony and looked through windows at the singing and chanting mass below.

Chicago police were in little evidence. They confined operations to making arrests and hauling away those arrested.

Police Rescue Kidnap Victim

BEVERLY HILLS, Calif. (AP) — FBI agents rescued 4-year-old Stanley Stalford Jr. from a kidnaper today after the abductor tried to use the boy as a shield following a gun battle during a high-speed chase.

Curly haired Stanley and his abductor, identified by the FBI as Robert L. Dacy of Lakewood, Calif., were taken to Morning-side Hospital.

One report said the boy, son of a banker, was treated for a gash in his leg.

Boy Not Hurt

The FBI in Washington said, however, that the boy escaped injury. Agents said Dacy, 39, was wounded in the right arm.

The ransom money — \$250,000 had been requested — was recovered.

Agents chased Dacy at breakneck speed through city streets, exchanging shots.

One of the agents rammed Dacy's auto with his pursuit car.

Dacy was trapped, agents said, as they converged on the area to corner him.

They said he tried to shield himself with the youngster, but they were able to make the arrest.

Agents didn't immediately say how.

The boy was rescued two days after he was taken from the family's \$90,000 home in a secluded area of Beverly Hills by a man posing as an electrician.

One of the agents involved in the rescue reportedly suffered a minor bullet wound.

Family Waited

One report said Dacy might have a broken leg when his bullet-riddled car was rammed by the pursuit vehicle.

Stalford, 49, is chairman of the board of the \$100-million Fidelity Bank of Beverly Hills.

He and his wife spent anguished hours after the abduction waiting for a promised call from the kidnaper — and making what police said were earnest efforts to pay the ransom.

Police Chief Clinton H. Anderson said the kidnaper and the parents talked by telephone Wednesday night, the same day of the abduction. No threat was made on the life of their only child, Anderson said.

As negotiations with the kidnaper continued, the Stalfords pleaded publicly that no one interfere with efforts to pay the ransom.

Red Leaders Debate Czech-Kremlin Feud

PRAGUE (AP) — Scores of Soviet tanks pulled out of Prague today as Communist leaders assembled for a party congress debate on Moscow's demands for sharp curtailment of Czechoslovak liberalization.

The Soviet tank withdrawal to camps outside the city apparently was part of the effort of the occupying forces and the Czechoslovak government to make the situation appear as nearly normal as possible.

PRAGUE (AP) — Communist leaders gathered in Prague today for a party congress as debate continued over the capitulation to Moscow's demands for severe limits on the Czechoslovak liberalization.

The local party leaders have to decide whether to reject the Moscow accord or work out ways to live with it in hopes they can convince the Kremlin that the bulk of the estimated 350,000 occupation troops can leave the country soon.

The liberal leaders who went to Moscow already have cautioned, "You cannot beat your head against a wall."

Another issue facing the party Congress is whether to reaffirm its decision at a secret session last week to purge hard-line members from the party central committee. The Kremlin called the session illegal and the Moscow agreement appears to repudiate the purge.

Accord Rejected

The National Assembly on Wednesday rejected the Moscow accord, but as in all Communist countries, assembly action is of small importance compared with what the Communist party does.

The Soviet press has made no mention of the assembly's decision. But the official news agency

cy Tass declared: "The right-wing counterrevolutionary forces are becoming more active trying to frustrate the first constructive steps of the party and the government leadership of Czechoslovakia."

Party secretary Alexander Dubcek, the leader of the liberals who was arrested by the Russian invaders and released after the Moscow talks, was reported under medical care, mentally and physically exhausted.

Liberal and pro-Moscow leaders argued in secret Thursday over what course to take amid

the Soviet bloc occupation.

The meeting was not held at party headquarters, although it was no longer guarded by Soviet tanks. It probably was held at some factory. At least once since the occupation began Aug. 20, party leaders have put on overalls and drifted into a factory when the shifts changed to hold secret talks.

Press freedom, one of the most cherished of the reforms since the liberal wave was launched in January, was one of the first casualties as government leaders set about carrying out the agreement with Moscow.

Vietnam Fighting Continues Heavy

SAIGON (AP) — Hard fighting was reported in the northern and central part of South Vietnam today, with nearly 200 more Viet Cong and North Vietnamese soldiers killed. But as the upsurge of combat continued for the 13th successive day, the enemy overran a small government outpost and killed 18 civilians and kidnapped 65 in two undefended hamlets.

The hardest fighting was reported south of Da Nang, where U.S. Marines, South Vietnamese rangers, dive bombers and artillery killed 126 enemy troops in three fights, the allied commanders said. Allied casualties were 10 Marines and five rangers killed, and 52 Marines and 23 rangers wounded.

At the southern edge of the central highlands, fighting continued around the Duc Lap Special Forces camp, and government troops reported killing another 66 enemy soldiers Thursday. This raised the number of enemy claimed killed there since last Friday to nearly 1,000.

But the North Vietnamese put pressure on another isolated point, capturing a 4-to-12-man

government outpost some 15 miles west of Quang Ngai City in the central lowlands and shelling the nearby Ha Thanh Green Beret camp.

At the outpost all of the defenders apparently were wiped out, and the attackers set up six mortars, two recoilless rifles and a machine gun which opened up on government reinforcements that were sent to try to drive the attackers out.

A U.S. spokesman said casualties in the shelling of the Special Forces camp were light, and reinforcements had been sent there from the U.S. 11th Light Infantry Brigade. The camp is garrisoned by 10 or 15 American advisers and Montagnard tribesmen fighting as mercenaries.

Along with the continuing fighting, heavy enemy troop movements were reported on the infiltration corridors leading into South Vietnam from Cambodia and Laos. The U.S. Command sent its heaviest bombers, Air Force B52s, to attack these units in a continuing effort to smash the buildup which could herald assaults on Saigon, Tay Ninh and other key cities.

Weather

ESCANABA AND VICINITY—Sunny today, high near 70. Partly cloudy tonight, low 55. Saturday partly cloudy, chance of showers. Highest temperature yesterday was 67 and the overnight low was 47. Outlook for Sunday: partly cloudy, winds southeasterly 5 to 15 mph. Precipitation probabilities: today 5%, tonight 10%, Saturday 20%.

Upper Peninsula — Mostly sunny this afternoon with high mostly in the 70s. Partly cloudy tonight. Lows 48 to 55. Saturday mostly cloudy with no important temperature changes. Chance of a few showers west portion. Highs Saturday in the 70s.

Sun sets today at 7:29 p. m., and rises Saturday at 6:08 a. m.

Mead, Woodward Corp. In \$700 Million Merger

DAYTON, O.—Shareowners of Mead Corp. and Woodward Corp. have approved an agreement to merge the two companies at meetings held Wednesday in Dayton and Birmingham, Ala.

The action was announced jointly by George H. Pringle, president of Mead and William R. Bond, Woodward president. The merger will be accomplished by an exchange of stock.

Mead shareowners also voted to add three directors to the Mead board. They are William R. Bond, president and chief executive officer of Woodward; Newton H. DeBardleben, a director of Woodward and president of the First National Bank of Birmingham; and William M. Spencer, III, president of Owen-Richards Co., and son of William M. Spencer, a Woodward director. The merger creates a corporation with total assets of approximately \$700 million. Combined net sales of the two corporations in 1967 would have totaled \$795.9 million, of which

Escanaba Division

Escanaba Paper Co., of Mead Corp., is a unit of its White Papers Division and is currently in the first \$56.6 million phase of a three phase plant expansion at Groos on the Escanaba River here.

The expansion will add 100,000 tons of paper production capacity annually to a mill which now produces 85,000 tons. Mead owns more than 365,000 acres of forest lands in the Upper Peninsula of which 125,000 acres are in its eastern unit and 240,000 acres in the L'Anse area unit which it purchased from Celotex Corp., being former properties of Ford Motor Co.

Mead's Escanaba employment is about 600 persons.

\$162.8 million represent sales by Woodward and \$633 million by Mead.

Stock Exchange

Under terms of the merger agreement, Woodward shareowners will receive nine-tenths of a share of a new series of \$2.80 voting preferred stock in exchange for each share of Woodward common stock.

Each share of the Mead \$2.80 voting cumulative preferred will be convertible into a share of Mead common for one year after the closing date and thereafter on the basis of 1.15 preferred shares for each share of Mead common.

A total of 20,245 of Woodward's six per cent cumulative preferred will be exchanged for Mead six per cent cumulative preferred on a one-for-one basis.

Pringle said: "Both Mead and Woodward are strong in natural and financial resources. Both have growing interests in the expanding field of housing and urban development through products such as Woodward's pipe and fittings related to the

transmission of fluids and Mead's specialty papers and paperboard for construction and filters."

Woodward Division

Bond said: "Merger with Mead Corp. offers Woodward a greater opportunity to continue its program of growth and diversification. The increased financial capabilities will add immeasurably to our ability to carry on our long-range program of expansion. And the exchange of stock will prove beneficial to our shareholders."

After the merger is effected, Woodward will operate as the Woodward Co. Division of Mead Corp. with the same officers and employees. Bond will continue as chief executive officer of the Woodward Division. He will also be nominated for election as an executive vice president of Mead.

Woodward was organized in 1881 near Birmingham, Ala. Over the years the company has expanded and diversified. Today it is a leading producer of pipe and fittings made from cast iron, cement and asbestos; castings for internal combustion engines, appliances, etc.; pig iron; coke; coal chemicals; rubber products; lime and cement products.

During the past 10 years, Woodward's sales have grown from \$27 million to over \$162 million in 1967. Earnings in 1967 were \$8.9 million, or \$2.63 per common share. Earnings in the first six months of 1968 were \$5,777,106, or \$1.70 per share.

30 Plants
Headquartered in Woodward, Ala., the company operates some 30 facilities in eight states. Woodward's employment is approximately 11,500. Mead Corp., founded in Dayton in 1846, began its period of greatest growth in the mid-

1950's. Sales have quadrupled since 1955 when Mead began to diversify from its established base as a producer of pulp, paper and paperboard. The company now includes packaging, corrugated shipping containers, technical papers, educational products, drapery and upholstery fabrics and a broad line of special paperboard products. With the acquisition of Data Corp. earlier this year, Mead is now active in the precision measurement of optical density of images, photographic process control and in the computer software field.

Mead operates 73 mills and plants in the United States and seven in Europe. To support its papermaking operations, Mead owns or leases 625,000 acres of forest lands in the U. S., and another 1.5 million acres are owned or leased by Mead affiliates. Harvesting rights to approximately 3.9 million acres in Canada are held by Northwood Pulp, Ltd., a Mead affiliate in British Columbia. Mead employment is approximately 20,300.

In the past 10 years, Mead's sales have grown from \$256 million to \$633 million last year. Earnings in 1967 were \$20.5 million, or \$3.05 per share.

(Continued From Page One)

then stayed with the plane until it lost all electrical power and began plunging to earth.

Misses Submarine
Anchored in Port Canaveral was the nuclear submarine Daniel Webster, which earlier in the day had fired two successful Polaris A3 missiles while submerged offshore.

A member of the Webster crew, Communications Specialist Terry Castle of Glenborne, S.C., said: "We were sitting in the bus near the submarine, waiting to go to town. We saw the plane come 200 to 250 feet over the submarine with one wing pointed toward the ground. The plane glided by the water tower. When it hit we felt the heat and shock waves. The explosion was so big we couldn't look at it."

Duchaine Rites Are Held In El Cajon, Calif.

Private funeral services were held at El Cajon, Calif., on Wednesday for William J. Duchaine, long time former editor of the Escanaba Daily Press and for years news director of Radio Station WDBC, with burial in El Cajon. He died of a heart arrest on Tuesday after surgery.

Mr. Duchaine was 67, a native of Gladstone, where he was born on Dec. 7, 1901 and where he was graduated from the high school with the Class of 1917. He is survived by his widow, Helen, 785 Maplewood Way, El Cajon, Calif., 92021, and their four children, an dhis sisters, Mrs. Carrie Schreder and Mrs. Laura Fulsher, 1021 Superior Ave., Gladstone.

The Duchaine's son, James, of New York City, has been visiting his aunts in Gladstone and will return east next Monday.

Summer Program At Public Library Ends Saturday

The summer Circus Club Reading Program at Escanaba Public Library, will end Saturday, Aug. 31. This year 334 boys and girls registered for the program. To date, 64 children have received pins and 25 children have received certificates of membership.

Maine Senator Wins Approval From Delegates

(Continued From Page 1)

nedy brothers, had been tapped for the post. O'Brien was Humphrey's convention manager.

Others thought that Sen. Fred Harris of Oklahoma, co-chairman of Humphrey's pre-convention campaign was in the running and there was some talk that Delton Houtchens, Missouri state chairman, might be in line for the post.

Tribute To Kennedy

Second only to the demonstration for Humphrey was the convention's tribute to Robert F. Kennedy, who might have wrested the nomination from Humphrey if he had not been assassinated on the night that he won the June 4 California primary.

Delegates responded with a cheering, singing tribute to the showing of a 20-minute film depicting Kennedy's career and life.

Some of those who wanted to draft Sen. Edward M. Kennedy of Massachusetts, the surviving brother, went home hardly mollified by Humphrey's choice of Muskie. Kennedy himself had stopped what at one point looked like a threat to Humphrey by saying he could not accept either nomination.

Muskie A Catholic

The 6-foot-5 Muskie, a 54-year-old Roman Catholic who has served in the Senate since 1959, epitomized party disagreement over how to end the Vietnam war. He supported a Humphrey-endorsed platform plank that called for a halt in the bombing of North Vietnam only when Hanoi shows a willingness to reciprocate militarily.

But Muskie conceded that he and Humphrey "have a different evaluation of the risks involved in stopping the bombing." For his own part, the vice presidential nominee said he would "actively pursue the prospects of a bombing halt" while consulting with Paris peace negotiators and military leaders.

The convention's deep split when it rejected a dovish proposal for an unconditional bombing halt appeared to Muskie to be "not so great it should be permanently decisive."

McCarthy Backs

But Sen. Eugene J. McCarthy, D-Minn., did not agree. McCarthy, Humphrey's chief rival for the top nomination, declined to endorse his fellow Minnesotan. He said he will devote his time in the fall campaign to electing Vietnam war critics to the Senate so that body will have a larger voice in foreign affairs.

McCarthy avoided the closing convention session but Sen. George S. McGovern of South Dakota, another Humphrey opponent, attended as a sign of unity.

Muskie won the second place nomination overwhelmingly but not without some shortlived efforts to stage a revolt. Insurgents offered the name of Julian Bond, 28-year-old Negro legislator from Georgia, but he withdrew.

Harbor Funds Are Allotted

Congressman Phil Ruppe reports that Corps of Engineer appropriations for the 11th District total \$4,197,000 for fiscal 1969.

The funds cover 9 projects relating to navigation, flood control and multi-purpose projects. The projects are:

- Charlevoix Harbor - \$90,000.
- Grand Marais Harbor - \$320,000.
- Keweenaw Waterway - \$187,000.
- Mackinac Island Harbor - \$30,000.
- Manistique Harbor - \$115,000.
- Marquette County - \$30,000.
- Portage Lake Harbor - \$70,000.
- Ontonagon Harbor - \$85,000.
- St. Mary's River - \$3,270,000.

State Puts Load Limits On Two Bridges In Delta

LANSING—Load limits will be posted soon on four state highway bridges in Delta, Iosco and Marquette counties, the State Highway Commission announced today.

The Commission said the restrictions are necessary because of slight deterioration in certain bridge members controlling gross loads. The deterioration was noted during recent inspections.

The bridge carrying U. S. 2 over the Sturgeon River just east of Nahma Junction in Delta County, and another carries M 35 over the middle branch of the Escanaba River 4.4 miles west of Princeton in Marquette County.

The Sturgeon River crossing was built in 1936 with trusses from an older bridge in the same location, and its posted gross limits will be 31 tons for one unit, 34 tons for two units and 39 tons for three units.

The M 35 bridge was built in 1918 and received a new deck in 1966. Its posted gross limits will be 36 tons for one unit, 50 tons for two units and 65 tons for three units.

Prize Is Pumper

BELDING (AP) — Some lucky ticket holder who donated to the Belding Volunteer Fire Department's fund to purchase additional equipment will find himself with the department's 1937 model pumper. The truck, still in use by the department, is the grand prize Monday in a Labor Day promotion.

Superintendent, Board Resign At Painesdale

PAINESDALE (AP) —The school superintendent and entire seven-member Adams Township Board of Education resigned Thursday night, protesting voter refusal to renew five mills in operating funds.

Joseph Hampton, superintendent of the district in the Upper Peninsula for more than 10 years, turned in his resignation along with those of the board members.

School Board Debates Buses

The Board of Education of the Escanaba Area public schools met in a five-hour session Thursday night to discuss the transportation situation in the district.

Supervisors of Cornell, Ford River and Wells Townships met with the board for part of the session, continuing a four-hour meeting of last Monday on the same topic.

After last night's discussions, which brought out many points of view, the subject of bus transportation of Escanaba Area students was tabled until the regular meeting of the board Sept. 10.

Schools will open Sept. 3 without transportation, which was eliminated after defeat of the district's millage proposal Aug. 19.

The scheduled start of classes next Tuesday for the district's 780 pupils was called off. The district's 33 teachers, who do not have a master contract, held an emergency meeting to day to decide their course of action.

Katherine Heideman, district superintendent of schools, said the district school board would be called into session soon to lay the groundwork for election of a new board in Adams Township.

The action followed rejection by voters for the fourth time of a five-mill levy to help operate the schools for five more years. The millage issue, defeated 385-231 in Wednesday's voting, was rejected three other times in the past four months.

The Adams Township system has two schools — Jeffers High School at Painesdale and a grade school at South Range. It serves five communities.

The principal at Jeffers High is William Mannisto, a former basketball coach at Hancock who was hired to replace Walter Davis. Davis resigned in June to become school superintendent at Lake Linden.

The resigned board members said that without continuation of the five mills they were unable to provide pupils with an adequate education.

Chapekis Praises Daley Forces For Protecting Demos

(Special to the Daily Press)
CHICAGO—Mayor John Daley "did an outstanding job of seeing that the Democratic convention was not disturbed," Nicholas P. Chapekis, Delta County prosecutor and a convention delegate, told the Daily Press on Thursday.

Johnson Skips Party Sessions

AUSTIN, Tex. (AP) — President Johnson, first chief executive in 24 years to skip his own party's national convention, probably was swayed by one or all of three factors—security, pride and plain old good politics.

The Texas White House, in keeping with its usual policy, didn't shed any light on the subject. But then it hadn't indicated until the very last possible minute whether Johnson would attend the final session of the Democratic National Convention Thursday night.

Speculation on why he didn't seemed to run along three lines:—Security. Two top Secret Service officials were in Chicago, including the head of the White House plainclothes bodyguard, and presumably they recommended Johnson stay away from the tension-torn city and convention.

—Pride. Judging from the mood of many delegates, Johnson could not be assured in advance of an entirely friendly reception from fellow Democrats.

—Good politics. The President may have decided that his presence would have done nothing to further the election hopes of the new Democratic ticket of Vice President Hubert H. Humphrey and Sen. Edmund S. Muskie of Maine.

Johnson was the first incumbent president since 1944, when Franklin D. Roosevelt was nominated for an unprecedented—and now illegal—fourth term, to stay away from his party's convention. FDR was on a secret wartime trip at the time.

have been turned into a shambles," said Chapekis, who with Mrs. Chapekis are attending their first national convention.

The impression left by television coverage of the disturbances in Chicago "can't help but be hurtful to the party," said Chapekis. He was emphatic that he had not observed violence on his walks in the area and noted that police moved in to quell disturbances when bottles or rocks were thrown by the demonstrators.

The excitement of the convention included for the Chapekis the meetings with Democratic candidates, distinguished office-holders and other notables who participated in the convention program.

U. S. Senator Phil Hart was in charge of the Michigan delegation that heard and met Vice President Humphrey, Gov. Maddox of Georgia, Gov. Eugene McCarthy of Minnesota and others.

Shirley McLaine and George Newman of stage and screen were among those greeted by the Michigan delegates, and Chapekis was impressed with their dedication to the party.

Miss McLaine "was more than ornamental," he reported, for she was busily engaged in distributing convention materials.

Other delegates to the convention from the Upper Peninsula included Leroy Nelson of Powers. They expected to return today or Saturday.

Escanaba Area To Supplement Criticized Text

LANSING (AP)—Some Michigan school children still may be using history books called misleading, distorted and inadequate with regard to minority groups when they return to classes this fall.

But state and local school officials appear hopeful that a critical report on textbooks—presented earlier this year to the state board of education—will result in history courses that include what the texts reportedly do not.

"The report won't change those books that already have been adopted now," said Dr. Marvin Tablaman, special assistant to the state superintendent of public instruction.

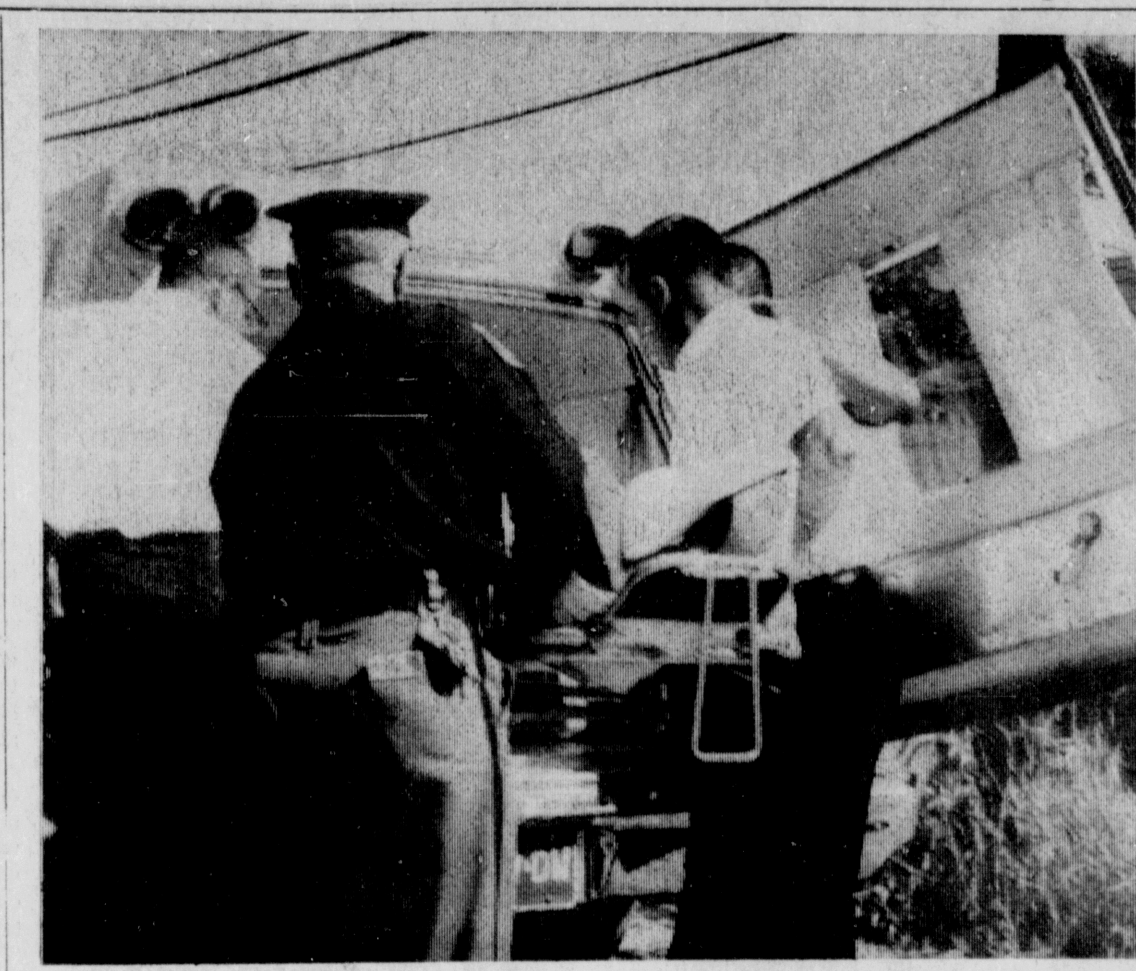

"But it might help teachers do a better job this fall, by encouraging them to supplement what they now have."

The report, culmination of a year-long advisory committee study, found 12 selected texts "very seriously deficient in their treatment of minorities in general and Negroes in particular."

The state board sent copies of the report to all school districts in Michigan, along with the board's call for local officials to: review texts now in use and discontinue those that fall short of standards in the report; and "overcome in part the present inadequacies of American history textbooks by using other instructional materials."

Escanaba Area Supt. Luther M. Barrett said only one of the 12 books cited in the report is being used in the system.

He said special materials have been ordered to supplement the content of the text.

ALFRED SAUER, 63, of 405 S. 12th St., Escanaba, suffered hip and arm fractures in a fall in Gladstone Thursday afternoon, and is reported in fair condition at St. Francis Hospital today. Sauer slipped and fell 10 or 12 feet into an opening at the site of the former Swenson Brother Furniture store while he was employed by the G. Arntzen Architects in taking measurements. He was removed to the hospital by ambulance. (Daily Press Photo)

New Postal Facility Needs Suitable Site

By CLINT DUNATHAN

Unless a site for a new Escanaba postal facility is obtained that is acceptable to the Post Office Department, the project may be a long time in realization.

Donald L. Swanson, regional director, Post Office Department, Chicago, has informed the Daily Press of the Department's plans for the Escanaba facility.

"New construction has been authorized for Escanaba and we are attempting to locate a site acceptable from an operational and realty viewpoint," he advised.

Announcement Soon
"When this is done, a building will be designed by the Post Office Department and bids will be solicited nationally for its construction."

"The successful bidder will lease the building to the Post Office Department on a long term lease and our present federal building will be returned to the General Services Administration for disposition," Swanson reported.

"We believe a site will be selected in the near future, at which time a formal announcement will be made by the Post Office Department," the regional director concluded.

The need to relocate the Escanaba post office has been cited by the Post Office Department over a period of several years, and action might have come earlier had an "acceptable" site been achieved. The problem of site continues to be studied and real estate officers of the Post Office Department have been in Escanaba a number of times to consult with interested parties — including property owners and persons seeking to assist in a site location.

Outside Downtown
Swanson reported that in June several sites were under consideration but "it is our

policy not to disclose sites being considered during negotiations."

"We are giving consideration to several sites which are outside the central part of Escanaba, but no recommendation has been made as yet by our real estate officer," Swanson wrote.

The Post Office Department has for several years noted the mail handling deficiencies in the present Post Office located at Ludington and 6th St. It was constructed in 1908 and the ground floor is occupied by the Post Office, with federal agency offices on the second and third floors.

Agency Housing
Besides the space limits built into the 60-year-old but still sound Post Office, the increasing volume of mail and the use of trucks for moving the mail create additional problems. The mail trucks travel almost the length of the city to reach the principal highways; and in backing into the Post Office drive they create a traffic hazard on Ludington St.

When the Post Office Department talks about an "acceptable site" it means one that is convenient to main highways, a location with space enough for truck movements, and yet near the city's population center. There is also the need to plan for a future that may be as long as the more than half-century that the present building has served.

Federal agencies have turned to other housing than the Post Office or Federal Building in Escanaba in the past. Should the Post Office be moved out, there would be space for agencies that are now located less conveniently elsewhere.

More Delays
The steps that will follow after selection of an "acceptable" site are the same as the procedures the Department has for establishing new post offices in other communities.

The Post Office selects the site and takes options on the land; the bidders on the building project take the cost of the land into consideration as part of their proposal; and the successful bidder constructs the facility and then leaves it to the Post Office Department.

The discussions that have

October Draft Call Issued

LANSING (AP) — Michigan county draft boards have been ordered to deliver 1,128 men for induction into the Army in October. State Selective Service headquarters announced today.

The October call was a slight increase over the September quota of 1,030 men.

The call by county boards includes: Alger 4, Baraga 2, Chippewa 0, Delta 2, Dickinson 2, Gogebic 9, Houghton 3, Iron 5, Keweenaw 0, Luce 0, Mackinac 4, Marquette 22, Menominee 3, Ontonagon 0, and Schoolcraft 2.

Job Training

WASHINGTON (AP) — The Department of Labor has approved three job training programs for unemployed persons. The \$160,000 program at Marquette will involve the training of auto mechanics, auto body repairmen and stenographers.

September has replaced June as the No. 1 month for the influx of honeymooners to Niagara Falls.

Muskie Emerges On Top Despite LBJ 'Sentence'

CHICAGO (AP) — The man Lyndon B. Johnson sentenced to Senate obscurity for daring to defy him nine years ago has emerged as the Democratic nominee for vice president.

Even Johnson eventually agreed the sentence wouldn't stick on Edmund S. Muskie, the tall man from Maine who grew quietly but steadily in stature among his Senate colleagues through patient effort and integrity.

"The President regards him as a real powerhouse," a former White House aide said as Muskie took charge of key administration proposals on Capitol Hill after Johnson became president.

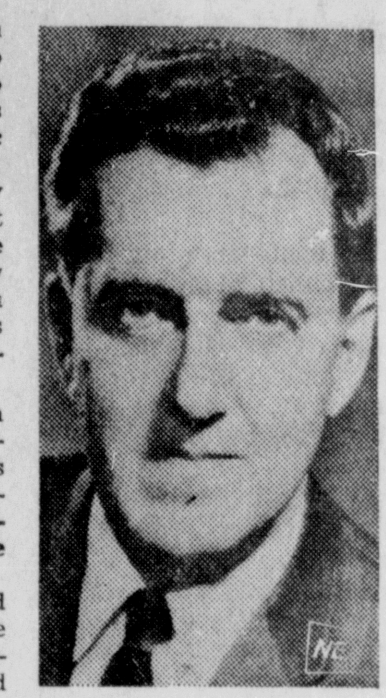

"A senator's senator," said Senate Majority Leader Mike Mansfield, the man some believed Muskie might succeed someday.

First Years Lonely
But the first years were lonely ones for the lanky senator who arrived in Washington in 1959 after two terms as Maine's governor. Johnson, Senate majority leader then, asked Muskie to vote with him to turn back a liberal effort to limit filibustering. Muskie refused.

Johnson responded by assigning the freshman senator his fourth, fifth and sixth choices for Senate committees. Instead of the Foreign Relations Committee spot Muskie wanted, he was given Banking and Currency, Public Works, and Government Operations.

Looking back, Muskie recalled, "I was frustrated, lonely, disillusioned and disconsolate."

But during the years Muskie's committees grew in importance. He handled administration bills to stem pollution of air and water. He steered Johnson's Model Cities program in the Senate.

Edmund Muskie

you have a domestic bill that's really tough and you need advice on how to get it through. Ed Muskie's the best buy up there."

Shortens Name
Muskie, 54, is the son of a Polish immigrant, Stephen Marciszewski, who later shortened the family name. He became the nation's first Polish-American governor in 1954, ending 20 years of Republican domination of Maine politics.

The 6-foot-5 attorney rebuilt his party's fortunes in Maine so well that Senate colleague Margaret Chase Smith is the only Republican holding a major office in the state today.

Muskie is a Navy veteran and a Phi Beta Kappa graduate of Bates College.

Muskie was married to Jane Gray Muskie in 1948 when he was a Waterville, Maine, lawyer. They have five children.

The senator is an occasional golfer. A colleague confides his shots aren't booming long-range shots, but they are accurate.

And he moved up in party ranks to become chairman of the campaign committee for Senate Democrats.

A former aide to Johnson praised him as "one of the few liberals who's a match for the Southern legislative craftsmen."

A Cabinet member said, "If

Dentist Killed; Boat Rams Pier

LUDINGTON (AP)—Dr. Charles Norman, 33, a Mount Pleasant dentist, was killed Thursday when the 25-foot boat he was operating crashed into the pier at Ludington Harbor. Three others were aboard the craft including Dr. Ralph Hinderleider, 39, of Alma, a dentist, who was admitted to Paula Stearns Hospital.

Mason County sheriff's deputies said the four reportedly were fishing for Coho salmon when it rammed the north side of the North Pier, ripping out the bottom as it ran up onto the pier.

Rooms Needed!

Home owners who will have rooms available for the MEA (Teachers) Conference to be held in Escanaba Thursday and Friday, Oct. 3-4 are asked to call the office of the Escanaba Chamber of Commerce, 786-2192.

Several thousand teachers are expected in Escanaba for the conference. The majority are expected to require rooms for Thursday night only.

INVITATION FOR BIDS

The City of Escanaba will receive bids for a Community Service Center until 3:00 P. M., E.S.T. on the 26th day of Sept., 1968, at the City Hall, 121 South 11th Street, Escanaba, Michigan, at which time and place all bids will be publicly opened and read aloud.

Bids are invited upon the work as follows:

- Base Proposal "G" — Architectural Trades
- Base Proposal "M" — Heating, Ventilating and Plumbing
- Base Proposal "E" — Electrical

Contract documents, including drawings and technical specifications, are on file at the office of G. Arntzen & Co., Architects, 820 South 16th Street, Escanaba, Michigan.

Copies of the contract documents may be obtained by depositing \$25.00 with the Architect for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after the bid opening.

A certified check or bank draft, payable to the order of the City of Escanaba, negotiable U. S. Government Bonds (at par value), or a satisfactory bid bond executed by the Bidder, and an acceptable surety, in an amount equal to five per cent (5%) of the total bid for construction shall be submitted for each bid.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project, and that the Contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The City of Escanaba reserves the right to reject any or all bids or to waive any informalities in the bidding. Bids may be held by the City of Escanaba for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of Bidders, prior to awarding of the contract.

Yule Tree Sale Plan Defeated

LANSING (AP) — Michigan growers have defeated a proposed Christmas tree marketing program by an overwhelming vote, the State Agriculture Department reports.

The proposed program included advertising and promotion, research, information to growers and other services. The program would have been financed by an assessment of two cents on each Christmas tree sold.

Growers who sold more than \$800 worth of trees in any one of the last three producing seasons were eligible to vote.

In order to pass, the program required a favorable vote of two-thirds of the growers representing 51 per cent of the volume of Christmas trees sold or 51 per cent of the growers representing two-thirds of the volume of trees sold.

Results of the voting showed 48 growers, or 27.6 per cent, voted for the proposal. The vote against was carried by 126 growers representing 72.4 per cent of those eligible.

Improve U.S. 2 Drive Continues

"Let the public know we mean to continue in our efforts to improve U.S. 2 all the way," William A. Asselin, Norway, chairman of the Michigan U.S. 2 Improvement Council, told Council members in advance of an upcoming meeting.

The meeting is scheduled for 2 p.m. Sept. 18 at the Gogebic County Club near Ironwood, and each of the member counties of Delta, Dickinson, Iron, Gogebic, Mackinac, Menominee and Schoolcraft are expected to have representatives there.

"We will act upon decisions of far-reaching importance to our region," said Chairman Asselin.

Petitions calling for the improvement of the Upper Peninsula's principal east-west highway have been coming in, said Asselin, and representatives are expected to bring more.

"We expect to have upward of 100 of these signed petitions for presentation at this meeting. They are coming from civic, governmental and ser-

vice organizations in the several counties along U.S. 2. All of these supporting petitions will be announced in advance of the meeting to let the public know we mean to continue in our efforts to improve U.S. 2 all the way," Asselin added.

He urged the Council members to invite legislative candidates to the meeting so they will become fully aware of the need for support of the campaign to make U.S. 2 a four-lane, Class I highway along its present route.

Delta County representatives at the meeting will be William J. Karas, chairman; Harold Vanierberghe, Irving Olsen and Henry Vietzke.

Schoolcraft County has Leo H. DeMars, chairman, Bob Jack, Robert L. Roe and Carl L. Graves as its delegates.

Russians Cope With Weekends

MOSCOW (AP) — Vodka, the joy and curse of Russia for centuries, is getting a boost this year as Russian workers face a new challenge — how to use their new long weekends.

The five-day work week, introduced last winter in most Soviet factories, appears to be driving the workers to drink. Other unforeseen problems also have arisen, but drunkenness draws the harshest scoldings in the official press.

The humor magazine Krokodil summed it up in a cover cartoon recently: "Now I have two days off," the reeling husband tells his wife as he comes home brandishing two empties.

To the Russian reader, it was instantly clear that he had emptied two quarts of vodka by the end of his two days off, probably because he could find nothing better to do.

The cartoon was painfully close to reality. Vodka sales jumped more than 24 per cent when workers were given two consecutive days off. Industrial production, which was expected to benefit from the new schedule, dropped in many plants because people often were in no shape to work Monday morning.

The Maldives consist of some 2,000 coral islands totaling 115 square miles. The island-city of Male is only a mile long and hardly half a mile wide. Some 12,000 people live on Male. The total population of the Maldives is 93,000.

Average American Consuming Fewer Calories; Costlier

WASHINGTON (AP) — The average American consumed about 3,100 calories a day in 1966, nearly 500 fewer than his grandfather did half a century earlier, the Agriculture Department said Thursday.

In the same period, retail food prices more than tripled, reflecting the general pattern of increases in all consumer goods, the department said in a review of food consumption and cost. But since 1950, food prices have not risen quite as much as other consumer items, it added.

Since 1950 the calorie intake of Americans has declined slightly, with all of the decrease coming in the consumption of carbohydrates.

Personal expenditure for food totaled about \$96 billion in 1966, with an additional \$14 billion going for alcoholic beverages. About 80 per cent of the total was spent for food used at home, with the remainder for meals away from home.

A zingel is a fish closely related to the perch.

Oil Freighter Left To Burn

SOUTH MANITOU ISLAND (AP) — The abandoned freighter Francisco Morazon, which had been smoldering with loneliness for eight years off South Manitou Island in Lake Michigan, got some attention recently and now is smoldering from a fire that ravaged its deserted hull.

Coast Guard and law enforcement officials flew over the ship Thursday by helicopter to inspect the vessel which caught fire Wednesday. The fuel-laden freighter ran aground in November, 1960, and has been serving as a warning to errant seamen ever since.

Ronald Sixberry, chief petty officer on the Coast Guard cutter Sundew, said his cutter was ordered to return to port at Charlevoix Wednesday night after the fire apparently burned itself out. The Sundew had been dispatched to the scene along with a 40-foot vessel from the Frankfort Coast Guard Station. That boat also returned to port Wednesday night.

Sixberry said when the Sun-

dew left all that remained of the fire was burning embers on the long-time lifeless bridge of the abandoned freighter.

He said he saw no oil slicks from the ship.

Earlier, Coast Guard officials said the fire was probably started by vandals.

The ship was involved in a legal action earlier this month when Michigan Atty. Gen. Frank Kelley demanded its removal from the rocky southern tip of the island.

Kelley said in the suit in Leelanau County Circuit Court that the ship's 6,500-gallon load of fuel oil posed a pollution hazard.

What's to happen to the ship now? "I guess it'll just stay there, after all its been there since 1960," a Coast Guard spokesman said.

Rhode Island, the nation's smallest state, has the longest official name—"State of Rhode Island and Providence Plantations."

Morrow Loses In Engineers Shakeup

DETROIT (AP) — A so-called "Rank and File State" claimed today to have overwhelmingly defeated incumbent officers of Local 324 of the International Union of Operating Engineers, which has a membership of 10,888 in Michigan.

William J. Myers Jr. of Allen Park said mail ballots counted by a certified public accounting firm gave him a 4,121 to 1,743 victory over incumbent Business Manager Louis R. Blok, with Adrian Maki of Dearborn Heights polling 70 votes.

Blok who has held the \$25,000-a-year job for seven years refused any information whatsoever, repeating "no comment, no comment" and hanging up on a reporter seeking election information from headquarters. He has been a paid officer of the union since 1949.

Brant President
Myers was a business agent of the local which includes operators of cranes, hoists, bulldozers and the like, until last December when he was fired by Blok. He is a grader and bulldozer operator.

Myers reported Frank Brant of Taylor, swept in with him as president, a nonsalaried officer; Keith Harris of De Tour as vice president and Keith Sober of Lansing as recorder-corresponding secretary.

Brant polled 4,116 votes to

1,666 for Edward T. Ryznar of Trenton, the incumbent, and Don T. Pushies of Brighton got 124 for president, Myers said.

Morrow Loses
Harris reportedly outdistanced William Morrow of Escanaba, 4,068-1,805, with Sober getting 3,681 votes to 1,880 for incumbent Leonard Murray and 321 for Don Langworthy.

Myers said the local was asking international union help in his attempt to take over next Tuesday, with Blok trying to hold on to Sept. 18. He said no court suit is contemplated.

Myers reported that membership meetings voted in both July and August to install new officers on Sept. 1, which falls on Sunday, but that Blok and Ryznar had called a regular quarterly meeting for Sept. 18 to install officers.

The union employs 26 paid representatives and an expense account goes with the office of business manager.

William G. Morrow, 301 S. 16th St., Escanaba, has been a vice president of Local 324

of the Operating Engineers for 4 years and a member of the union for 34 years. Before that he was a member of the Steam Shovel & Dredgers' Union, a predecessor, so he's been in the union for 47 years altogether.

A native of Kaukauna, Wis., who grew up in Green Bay, now 63 he has been a business agent for the Operating Engineers in charge of the Escanaba office at 2200 Ludington serving the Upper Peninsula for 21 years. He is also the owner of the Big Boy Restaurant 23rd St. N.

Was Retiring
Morrow was retiring in December, and he will not retire on Sept. 18 Speaking of the local's election he said "All the incumbents are out. The 'rebels', as we call them, wanted me to run against Mr. Blok but I refused. I always stick with my friends: I think I added a little dignity to it."

"Looking at the political conventions I think that the world is going bugs. Looking ahead I see problems and trouble in the union. I have two very good men with me here in the Escanaba office and it's a shame that they'll be out. It's going to be rugged for employers."

"I'm leaving the 7th for Frisco and on the 18th there'll be an installation of the new officers and that'll be it. I am glad that I found Escanaba and can retire here. It is a city of congenial people and my wife and I will enjoy living on here. We've bought a little place in Florida but we'll live here most of the year."

Doctors Allow Ike To Read

WASHINGTON (AP) — Still further improvement in former President Dwight D. Eisenhower's condition was indicated today as his doctors reported that he is now allowed to do "light reading" in his bedroom.

In a medical bulletin issued shortly before 10 a.m. EDT, doctors of the Walter Reed Army Hospital said: "There has been no essential change in Gen. Eisenhower's condition since yesterday's bulletins."

"The general is in excellent spirits and spent another comfortable night. The favorable trend, previously noted, has continued."

"Light reading and music, in addition to visits with Mrs. Eisenhower, have helped to occupy the general during this continued confinement."

Head-On Crash Kills 4 Persons

CASS CITY (AP) — A fiery, head-on collision of two cars killed four persons and critically injured a fifth today on M 53 southeast of Cass City in Michigan's Thumb area.

The victims were not immediately identified because most were burned beyond recognition, State Police said.

Troopers said three of those killed were in one car, along with the injured man. This car burst into flames after the impact. The driver of the other car was alone, officers said.

Briefly Told

Former Newberry residents are invited to a pot luck breakfast reunion at 7 a.m. Saturday, Aug. 31, at Ludington Park.

Gladstone city police are investigating a breaking and entering at the Wilbur Montgomery home on the South Bluff, where a window screen was cut and a pair of binoculars are missing.

All four Escanaba parochial grade schools and Holy Name High School will only have a half day of school on Tuesday, September 3. Regular class schedules will resume Wednesday.

William F. Casey, 43, of 1223 1st Ave. N., suffered minor injuries when the car he was driving struck a parked automobile in the 1400 block, Stephenson Ave., at 1:26 a.m. today. The parked car was owned by Donald R. Boucher, 1416 Stephenson Ave., and city police issued a traffic court summons to Casey for failing to exercise due care.

State Police issued traffic summonses to Gordon Holmes, Sault Ste. Marie, improper lane usage; Arthur Anderson, 226 S. 25th St., speeding; Richard Johnson, Rte. 1, Escanaba, James Valiquette, 226 N. 18th St., Bradley Cory, Marquette, and Diane Kallman, Cornell, all for no operator's license; Glen Long, Fredricktown, Ohio, speeding; Larry Brown, 2707 Lake Shore Dr., Escanaba, defective exhaust system.

Escanaba police have issued traffic court notices to Patricia D. Abrahamson, Pinehaven Subdivision, failing to exercise due caution; Margaret A. Brandt, 1214 N. 18th St., failing to yield the right of way; Jeanette M. Anderson, Willow Creek Road, no registration on vehicle; LaVera Paulin, Escanaba, failing to exercise due care; William F. Casey, 1323 1st Ave. N., failing to exercise due care; Roger M. Finlan, Trenary, Francis J. Hosselle, 522 2nd Ave. S., Peter D. Adamini, 319 S. 10th St., James A. Negrinelli, Gwinn, Linda Peterson, 1415 Stephenson Ave., James A. Hall, 1914 1st Ave. S., Kenneth J. Wicklander, 220 S. 17th St., John V. Herlick, 1304 N. 19th St., Richard A. Bowden, Escanaba Rte. 1, Patrick N. DeGrand, Bark River Rte. 1, Della M. Lemerand, 925 Washington Ave., Joseph F. Chenier, Escanaba Rte. 1, and Richard D. Nevens, Gladstone Rte. 1, all for speeding.

Calumet Soldier Killed In Vietnam

WASHINGTON (AP) — The Defense Department has listed four Michigan men among 45 recent casualties in Vietnam combat. Reported killed in action were: Army WO Bruce C. Palmer, son of Mr. and Mrs. Cameron W. Palmer of Grand Rapids, and Pfc. Paul H. Pirkoala, son of Mrs. Florence K. Pirkoala of Calumet.

The Defense Department listed as dead of wounds: Army WO Barry J. Becanann, son of Mr. and Mrs. Donald J. Becanann of Clayton; and WO Richard O. Soper, son of Mr. and Mrs. Orrin L. Soper of Flint.

Suomi Opening

"Open the doors" will ring out at Suomi's Student Center and the dormitories on Sunday, Sept. 15, when students rush to rooms at the Hancock campus.

Classes begin on Friday for Suomi's 72nd year.

Market Shows Active Trading

NEW YORK (AP) — The stock market advanced in moderately active trading early today. Gains outnumbered losses by about 150 issues on the New York Stock Exchange.

Advances and declines of fractions to about a point were scattered throughout the list.

Most of the auto stocks were slightly higher as auto production for September was scheduled at a record number of units.

Train Hits Truck; Workman Killed

DETROIT (AP) — A Wayne County Road Commission driver was killed Thursday near Detroit Metropolitan Airport when his concrete-laden truck was hit by a train at an unmarked railroad crossing.

The victim was Neil Cunningham, 28, of Detroit. Police said concrete pieces sent flying by the impact damaged 16 parked autos nearby and partially caved in walls and broke windows of a building 300 feet away.

R. LEE ROBITAILLE, son of Mr. and Mrs. Ray Robitaille, 629 N. 18th St., has graduated from U. S. Army Leadership school at Ft. Hauchuca, Ariz., where he has been assigned since completing basic training at Ft. Campbell, Ky. Robitaille, an acting sergeant, scored a perfect score of 500 in the physical combat proficiency test in basic training. A 1966 graduate of Escanaba Area High School, Robitaille will be assigned to Ft. Jackson, S. C., for further training and then expects to be assigned to the Panama Canal Zone. He entered service in May, 1968.

Children March North To Hanoi 'Education'

SAIGON (AP) — Hundreds of children have trudged over the Ho Chi Minh Trail on their way to Hanoi for years of political indoctrination that will make them the new Communist elite in South Vietnam.

Enemy prisoners and defectors have reported seeing the children, some appearing as young as 8, marching with small packs through the jungle vastness of the highlands toward Cambodia. One North Vietnamese soldier said he was told a North Vietnamese transport plane picked up the children at a secret landing field in Cambodia's jungled highlands.

Captured documents show that the order for what one source wryly called "the children's crusade," dates at least to October 1967. The migration of an unspecified number of children up to 17 years old was to be completed by this month.

The Hanoi government apparently has two aims in mind. The one that most concerns some quarters here is that after the children return they will form a vital political nucleus to help subvert and ultimately overthrow any possible coalition regime agreed to as a possible way to end the war in the South.

The second is that jungle political education away from the seat of revolutionary doctrine in Hanoi is open to slips in theory

and because of the demands of war cannot be as complete as Communists prefer such things.

So they march North. Those that go, according to the captured documents, are children of low-level cadre, those whose parents "joined the revolutionary cause" and especially those whose parents died for Ho Chi Minh's dream of a unified, Communist Vietnam. Children of the poor also were eligible for selection.

Although U.S. sources say they have no idea how large the migration was, one enemy soldier said he understood it numbered in the hundreds.

Democrats To Need Harmony In Campaign

(Continued From Page One)

General Frank Kelley, originally a Kennedy backer, was for Humphrey. All revealed their choices late in the game, and Kelley even withheld his choice until the convention vote.

Several Negro leaders voted for Rev. Channing Phillips. Secretary of State James Hare and several union officials were openly for Humphrey for some time.

Whether all these elements can get back together again will determine the fate of the state election in November.

Most Michigan delegates went from Chicago directly to Grand Rapids for the State Democratic Convention. While the naming of candidates for educational posts and the State Supreme Court is the official business there it's certain the Chicago convention and campaign prospects will be high on the agenda for thorough informal discussion.

Off-Duty Officer Aids In Capture

PAW PAW (AP) — Sgt. Alan Knowlton, an off-duty Army Military Police officer assigned to the southwest Michigan area, Thursday helped apprehend a man wanted by the FBI in connection with a Detroit bank robbery.

Knowlton, wearing civilian clothes, was driving on I 94 near Paw Paw when he heard a police radio broadcast a description of the truck believed operated by the wanted man. Knowlton looked up and saw what appeared to be the truck ahead of him and radioed the Van Buren County Sheriff's Department.

Moments later, deputies and Knowlton pulled alongside the truck and ordered the driver to stop. Van Buren Sheriff Richard Stump said the driver, Marvin L. Laker, 28, surrendered without incident although officers recovered a pistol from beneath the truck seat.

Laker was held at the Van Buren County Jail for the FBI in connection with a \$2,200 robbery Wednesday of the Bank of the Commonwealth in Detroit.

Timber Industry To Hear Ruppe

Congressman Philip Ruppe (R) Michigan will speak to 350 members of the Lake States timber industry on Friday evening, Sept. 6, at Antigo, Wis.

The banquet is held in conjunction with the 23rd Annual Lake States Logging Congress. A \$3 million dollar equipment exhibit will be one of the highlights of the Logging Congress. Many contests of skill relative to the timber industry will be held each day.

DelliQuadri Urged To Stay

CHICAGO (AP) — Carmen DelliQuadri, a Democratic member of the State Board of Education who has announced he will not seek renomination, Thursday was urged by his county Democratic chairman to change his mind.

"It is a consensus of Upper Peninsula Democratic county chairmen that Mr. DelliQuadri must be retained," said Houghton County Chairman Andrew Wisti.

DelliQuadri, 51, a professor at Michigan Technological University, has said he would not seek a second term because of transportation difficulties and because his work on the board interferes with his teaching duties.

Delegates to the fall Democratic state convention, which will be held in Grand Rapids Saturday, will choose two nominees to the state board.

Wisti said: "Carmen DelliQuadri, a member of the State Board of Education, a resident of Houghton an educator and a highly knowledgeable man has said he will not again seek a position on the board."

He has good reasons for this decision, but I and many other Democratic leaders in the Upper Peninsula feel otherwise, so strongly so, in fact, that while we have repeatedly asked Mr. DelliQuadri privately to change his mind and run for the office, I now plead with him publicly to do so.

"It is a consensus of Upper Peninsula Democratic chairmen that Mr. DelliQuadri must be retained on the State Board of Education. It is imperative that he be on the board because of his great experience in a large number of areas; his knowledge, his temperament and his keen instinct for knowing what is good for people."

"His reasons for not seeking another term are sincerely felt ones. The board meets about every two weeks and the sessions are often ones of hard work. The distance is great from the U. P. to Lansing and the travel is often difficult because of bad weather and much time is taken from his duties at Michigan Tech."

"However, I and many others, a great many who are not necessarily Democrats, see this man as critically important in Michigan education and we deeply hope that he will consent to seek another term. He is urgently needed on the board and I plead with him to change his mind."

"I will do all I can in Grand Rapids at the Democratic State Convention to see that it is aware of this and does all possible to bring about his nomination."

Detroiters Mourn 'Dead Democracy'

DETROIT (AP) — Some 200 demonstrators, one of whom said they were "mourning the death of democracy in Chicago," marched through downtown Detroit Thursday as a contingent of police looked on.

Lt. Donald Cowell said about 40 officers were on hand in case violence broke out between the demonstrators and counterdemonstrating members of a group called Breakthrough, but the number of policemen was reduced to a dozen after the Breakthrough members left the scene.

Menominee To Run Buses As Millage Wins

Menominee School District's buses will roll Tuesday because of the victory of millage in a Thursday election.

There will be driver education, free books and other educational services that were to have been eliminated along with the school buses, if the millage failed for the third time.

The vote was 1,859 yes and 1,693 no, a win margin of 166 votes for the millage, which lost by 84 votes on June 10 and by 180 votes on July 22. The winning margin came from the rural Birch Creek district north of the city which is attached to the city district and which would have lost its bus service if the millage had failed. The vote there was 487 to 315, a margin of 172 in favor.

The board reduced the millage requested from 7.75 to 7.25 because the Tax Allocation Board allotted the schools .61 mill more than previously. Menominee will now levy 20.11 mills for school operation of which 8.86 are allotted from the 15 mill property tax, 4 mills extra voted in 1965 and the 7.25 mills voted yesterday. The district also levies 6.1 mills for school debt retirement.

The schools will now hire 18 teachers as rapidly as possible and reopen the Washington and Boswell schools.

Strikes Likely In 28 Districts

LANSING (AP) — Warning that illegal strikes or lockouts seem likely in at least 28 school districts, Lt. Gov. William Milliken today urged bargaining teams to push harder for teacher contract settlements.

Milliken, charged with overseeing negotiations again this year, added that his office would remain open throughout the Labor Day weekend.

He pledged full cooperation of state - appointed mediators and factfinders and said they would be meeting with those 28 districts considered critical, as well as others of the 104 districts in which contract negotiations have not yet been completed.

Milliken said 18 of the critical districts are affiliated with the Michigan Education Association.

He cited Flat Rock, Lincoln Park, Nankin Mills, Plymouth, River Rouge, Riverview, Southgate, South Redford, Trenton, Charlotte, Linden, Orchard View, Montague, DeTour, Adams Township, Oscoda, Northville and Bessemer City.

Problem districts associated with the Michigan Federation of Teachers are Allen Park, Ecorse, Gibraltar, Heintzen, Highland Park, Inkster, Melvindale - Northern Allen Park, Taylor, East Detroit and Roseville, he said.

Folk Fest

The Brown County Veterans Memorial Arena, Green Bay, will be transformed into a bit of the old world, the new world and a story of Brown County history Sept. 26-28 for a folk festival featuring ethnic foods, folk dancing, a carnival atmosphere, public service booths and a Gay 90s beer stub in salute to Brown County's 150th anniversary.

Hart Condemns Police Tactics

CHICAGO (AP) — Michigan's Democratic Sen. Philip A. Hart said Thursday he was appalled and ashamed at the force used by Chicago police on marchers in downtown Chicago Wednesday night.

Hart said U.S. Atty. Gen. Ramsey Clark should investigate the police methods of dealing with antiwar demonstrators. The senator, in Chicago for the Democratic National Convention, said Chicago Mayor Richard J. Daley should have gone to the scene of the battles.

"Violence and destruction are no more defensible for the Yippie (member of the Youth International Party) than for me or my children," Hart stated. "But if the police or National Guard use force beyond what is needed whether it's on a Yippie or my children—then I would hope that somebody will get up and say stop."

Training

MARQUETTE — Northern Michigan University has been awarded three federal grants totaling \$366,238 to train unemployed persons as automobile mechanics, auto body repairmen and stenographers at its Area Training Center.

When you remodel—

think modern!

Think of electric heat

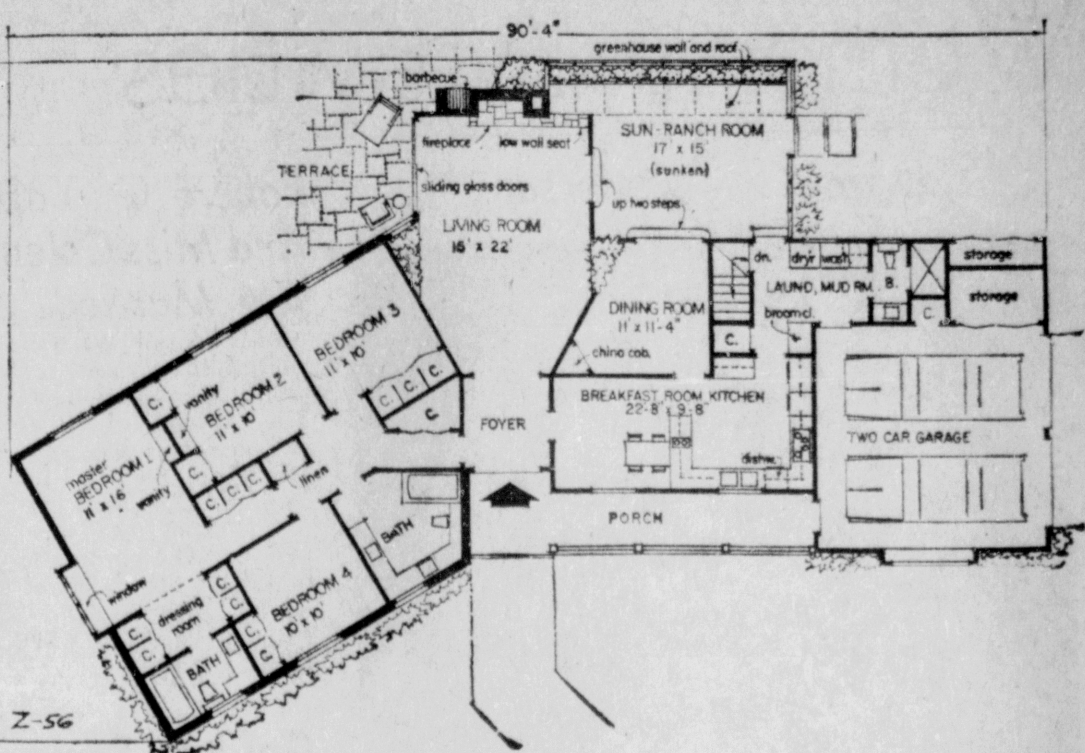

WESTERN CHARM: The popular rugged look has been effectively captured in this four-bedroom Western ranch, with its alliance of boulder stone, stucco, boards and battens

and hand split shingles — all enveloping a modern interior design with a central foyer.

With his angled plan, architect Rudolph A. Matern has very effectively split the service area from the sleeping section of the house, providing privacy and quiet for the bedrooms. Four bedrooms are provided in this wing. The master bedroom has its own private bath, a dressing room with closets, a window seat and a vanity. The hall bath has an interesting

Z-56 STATISTICS
Design Z-56 has a fireplaced living room, a dining room, a large kitchen-breakfast room, a laundry-mud room, four bedrooms, three baths and a spacious foyer, with a total habitable area of 2340 square feet. The living room has a sun-ranch room on one side, a terrace on the other. A two-car garage has inside and outside storage space. Over-all dimensions are 90' 4" by 58' 6".

FLOOR PLANS: Unusual in many respects, the floor plans are highlighted by the sunken sub-ranch room and greenhouse wall, with an adjacent, accessible living room, itself featured by angled walls, a huge stone fireplace and sliding glass doors to a terrace.

Unusual Western Ranch

By ANDY LANG

Here's a house for the "we want something different" species of home owner.

It's a Western ranch, curiously old and at the same time

up-to-date, with an angled plan for additional interest. The Western ranch can't truly be called traditional because, when built today, it is considered very contemporary. Its style is such, with its low, long roof, that it appears to be new. Perhaps it was merely a before-its-time design when it was originally created.

Inside the double entry doors of Design Z-56, planning becomes strictly contemporary because of its efficiency and modern approach to the utilization of space. The angled walls, also an innovation of the present, serve to reduce monotony.

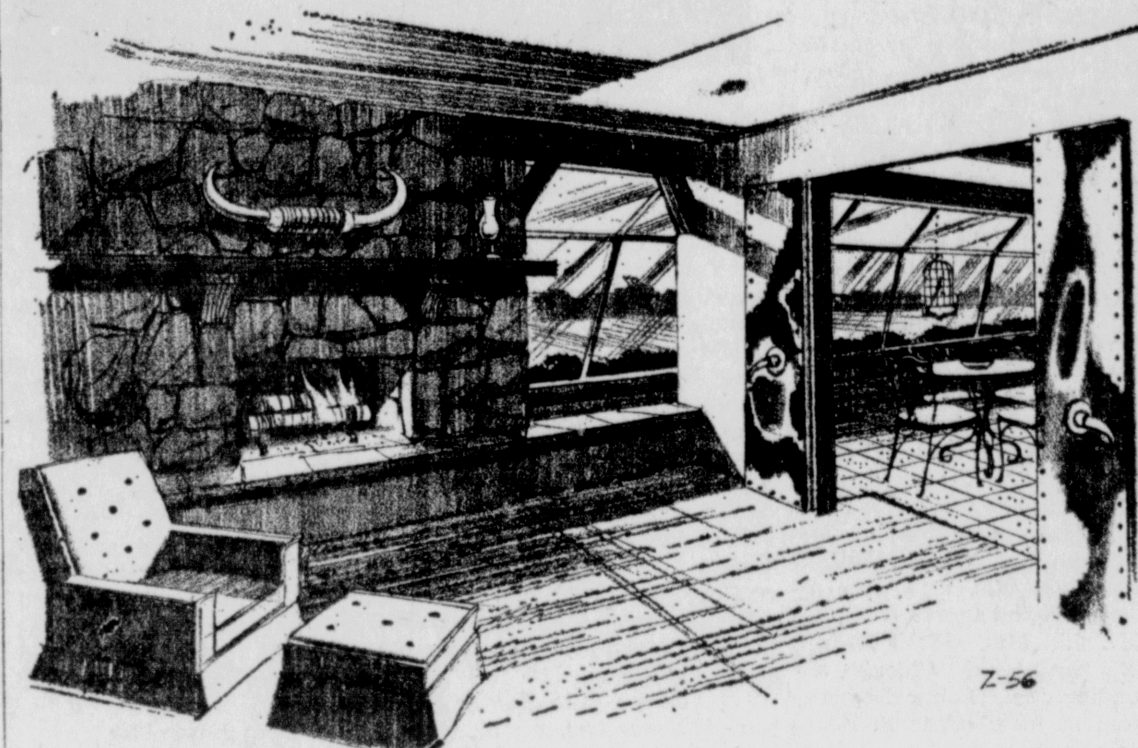

Probably the most dramatic

part of the home is the sunken sun-ranch or family room, although the dining and living rooms contribute artfully to it. This room has its entire rear wall framed in glass. The carpentry framing of the room stops at the rear living room wall. Against this is placed an aluminum frame of a greenhouse which sits on a stone wall base. The frame angles up and then angles again in the typical greenhouse shape. The stone base wall is thick and has a deep planting trough running its full length. All year 'round planting and blooming can be done here. Through an open wall in the living room, the continuation of the glazed wall can be seen; it stops at the chimney. Sun control is simple by the use of a string drawn roll screen.

The dining room has an unusual wall arrangement at the intersection of the living and ranch room walls. The triangle formed is a low, floor planter, with the walls, stopping at the

corners so there is a three-way, see-through setup into and from each room. A similar triangular planter is on the opposite wall of the living room but without the see-through arrangement. Opposite the sun-ranch room, an 8-foot sliding door allows view and access of the private, rear terrace from the living room.

shape, with two angled walls and a continuous countertop; two lavatories allow dual use. Additional features are a 22-foot kitchen including a breakfast room; a mud-lavatory room with full bath; a covered front porch; a two-car garage with access to the house front and

VIEW FROM FOYER: Stone fireplace at far end of living room is visible from the entrance foyer. Opening to the right leads to a sun-ranch room with a full greenhouse wall.

Burglars Raid State Schools

EAST LANSING (AP) — An apparently organized theft ring has been hitting schools throughout the state for electronics and mechanical equipment, State Police report.

The latest hit was Tuesday night at Monroe where thieves took some \$5,500 in such items from two schools.

The Mason Consolidated school District lost electric typewriters, business machines, tape recorders, adding machines and shop equipment.

"They even took an arc welder, a paint sprayer and wood-working tools," reported Detective Allen Hoxie of the Monroe State Police post.

The Mount Carmel Catholic school in Monroe County lost a stereo record player, a projector and three tape recorders. A State Police spokesman at the East Lansing operations office said such thefts are becoming increasingly prevalent throughout the state.

The Detroit school system has been particularly hard hit, he said.

Sgt. Edward Haven, supervisor of the records section, said the State Police collection of such stolen items is "very extensive."

"We get some of them back from pawn shops," Haven said. "But a lot are never recovered. There must be a market for them somewhere."

"I couldn't name the specific cities," Hoxie said, "but it seems to be happening throughout the state. The method of operation is so similar in many of the cases that it looks like the work of an organized gang."

Heart Changed, Boy, 6, Lives

GREENSBORO, N.C. (AP) — Six-year-old David Purdy placed his right hand over his heart for the pledge of allegiance to the flag with other new first graders Thursday.

It was a day David's parents thought he might never see.

Three times David went through heart surgery. As recent as 18 months ago there were fears for his life. Surgeons employed heart massage in the three operations to keep David alive.

The youngster was born with a defective heart—the major vessels leading from the ventricles were reversed. His first heart surgery came when he was 27 days old. In all David has undergone seven operations.

In surgery at Duke Hospital in Durham in June 1967, doctors reversed the positions of the major vessels entering David's heart, thus giving him a heart which works in reverse—but does work.

The middle child in a family of five, David was given a life expectancy of six to eight years at birth. Now, he is expected to live a full, normal life.

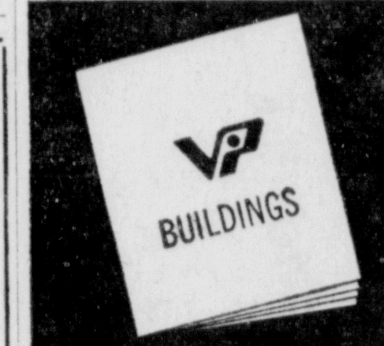

Thaumaturgy is the technical name for doing magic tricks.

LaBranche

Prize Money
The LaBranche BOE's 4-H Club, meeting at the Robert Bellefeul home, received a check for \$10 for the fourth place award in the Powers Fourth of July parade. A portion of the money was spent for a movie party on Aug. 23. Chaparones were Miss Linda Shiverski and Leader Mrs. Robert Bellefeul.

Shows Movies
Spec. 5 Tim Murray showed movies he had taken in Vietnam, to a group of about 40 people at the LaBranche Tavern recently. Tim returned from Vietnam in mid-July and will be reporting at Fort Knox, Ky., on Aug. 30.

IF YOU CAN'T FIND YOUR NEW BUILDING HERE,

VARCO-PRUDEN CAN FIND IT HERE.

You'll find many basic metal building designs in Varco-Pruden's literature. But if special demands require a custom structure, you'll find that, too—straight from a sophisticated computer that gives you low cost and fast service in a totally functional building. That's the Varco-Pruden Revolution: Total design flexibility... striking beauty... low cost... and quality that lasts and lasts. Write for a free brochure. If your new building isn't in it, we'll go to the computer for you.

About to Enter Another Important YEAR IN THEIR LIVES

All hands will be on deck to speed them off to their exciting world.

And no hands will be busier than Mother's. None that is, unless you count the helping hands of electricity, which help Mother at every turn... even to telling the correct time of day.

Electricity helps heat their home, wash and iron their clothing, cook their meals and heat the water for bathing. Electricity also provides adequate lighting to help with their lessons and make study easy on their priceless eyes.

As a matter of fact, the older they grow, the more ways electricity can help them. It's always ready to lend a hand at a price so low that it's actually the biggest bargain in the family budget today! As school time approaches again, let Reddy Kilowatt help you get all of your children started off right in the biggest job of their young lives.

MRS. MICHAEL LARRABEE (Delta Studio)

Michael Charles Larrabee claimed Mary Margaret Anderson as his bride in a double ring candlelight ceremony performed Saturday at 3:30 p.m. at the Calvary Lutheran Church in Rapid River.

Pastor George Olson and Rev. Philip Meili were officiants at the marriage for the daughter of Mr. and Mrs. George Anderson and the son of the Ronald Sundbergs all of Rapid River.

Ruth and Regina Olson were vocalists and Karen Olson provided organ music. Selections presented were "O Perfect Love" and "A Wedding Prayer."

Given in marriage by her father, the bride wore a floor length gown of organza over peau de soie. The dress was styled in empire lines and the capelet sleeves and skirt edge were of re-embroidered Alencon lace trimmed with velvet ribbon. A detachable chapel train was accented with velvet ribbon and bows. A circle of daisy lace in head band fashion held her double tiered ballerina length veil. She carried a colonial bouquet of roses, daisies and ivy.

Honor attendants for the couple were Mrs. Charles Parrett Jr., a friend of the bride and Patrick Larrabee, the bridegroom's brother. Other attendants were Nancy Wichar and Charles Parrett Jr. George Anderson Jr., and Richard Forslund had ushering duties.

The bridal aides wore floor

length gowns of orange linen like material with a back panel trimmed with rosettes. They wore orange headpieces of daisies with white lace streamers and orange velvet. Their bouquets were daisies and babybreath with green velvet streamers.

After a reception at the Congregational Church Hall the newlyweds left for a honeymoon. They will be at home Sept. 1 at Houghton where the bridegroom is attending Michigan Tech University.

Special guests at the wedding were the bridegroom's grandparents, Mr. and Mrs. Graham Widdis, Manistique and Mrs. Dorothy Kah, Escanaba. Other guests were from Milwaukee, Grand Rapids, Manistique, Montgomery, Ala., Marquette, St. Clair Shores, and Peshtigo.

The bride is a graduate of Northern Michigan University and will teach in the Houghton Public Schools this fall.

Events

Wallin - LaCrosse

MRS. DONALD WALLIN (Gordon Nelson Studio)

Following a wedding trip through Wisconsin and Illinois, Mr. and Mrs. Donald Allen Wallin are at home at 220 N. 11th St. The young couple repeated wedding vows Aug. 17 at St. Anne's Church.

The bride, the former Barbara Lynn LaCrosse, is the daughter of Mrs. Shirley LaCrosse, 1415 1st Ave. N. and George LaCrosse, 1328 N. 19th St. Mr. and Mrs. Louis Wallin, 2422 Ludington St., are the bridegroom's parents.

Rev. Wayne Marcotte was celebrant at the 10 a.m. double ring ceremony. A reception was held that day at the Sherman Hotel.

Mrs. James Cole was matron off honor and serving with her was Jo Anne Cool. Bestman was Phil Sarasin and the bridegroom's brother, Dave Wallin was groomsmen. The bride's niece and nephew Cindy and Steve Sidbeck were flower girl and ring bearer.

Lace Gown The bridal gown was fashioned of Chantilly lace with crisp tissue crepe. An all lace kaftan coat, worn over the sheath gown, was fashioned with crepe cowl neckline and long crepe

edged loose sleeves. The coat extended into a train. A half hat of lace and organza leaves edged with seed pearls held her bouffant veil. She carried a double kissing ball of white carnations.

The flower girl wore a dress and veil identical to that off the bride. She carried a miniature kissing ball of white carnations.

The bridal attendants wore identical gowns of aqua chiffon fashioned with embroidery trim at the empire waist and cuff of the three quarter length sleeves. A loose flowing coat fell from the shoulders. Matching head pieces of petal, sequins and pearls were secured to silk veils.

Blue Ensembles

At the reception Mrs. LaCrosse greeted guests wearing a knit sheath dress and jacket in cornflower blue. The bridegroom's mother selected a three piece knit dress off deep blue. They both wore cymbidium orchids.

The bride is a 1965 graduate of Escanaba Area High School and is employed at the People's Drug Store her husband is employed by Birds Eye Veneer Co.

Van Brocklin - Helman

MRS. TERRY VanBROCKLIN (Delta Studio)

Alice Carol Helman, the daughter of Mr. and Mrs. Herman Helman, 1515 Dakota Ave. length veil was fastened to a Gladstone became the bride of Terry Alan VanBrocklin, the son of Mr. and Mrs. John Van Brocklin Sr., North 17th St., Gladstone.

The double ring ceremony was performed at 2 p. m. Aug. 24 at the First Lutheran Church in Gladstone by Rev. Rueben Carlson. The church altars were decorated with white gladiolus and fugli mums.

The bride's sister, Kathleen Helman, was maid of honor. Bridesmaids were Janice VanDrese, Janet Quinn and Cheryl Hagman.

Best man for his brother was Dan VanBrocklin with another brother, John Jr. acting as groomsmen with David Trotter and Thomas Coppock, a brother-in-law of the bridegroom. Seating the guests were Steve Helman, the bride's brother and Randy Lancour.

The bride selected a floor length gown with an A-line skirt empire waistline and elbow length sleeves. The bodice was trimmed with Venice lace

and a chapel train was attached at the shoulders. A floor length veil was fastened to a headpiece of pearls, leaves and petals. She carried a cascading arrangement of white roses.

The bridesmaids wore identical aqua gowns with empire waistlines and matching chiffon coats. The floor length dresses featured embroidered trim on the sleeves and waistlines. They wore bow headpieces made by Miss Quinn and carried cascading bouquets of fugli mums.

Mrs. Helman chose a light aqua dress with matching coat for her daughter's wedding. With it she wore white accessories. Dark aqua silk shantung was selected by Mrs. VanBrocklin. Both mothers were pinned with corsages of ivory orchids.

A reception and dance were held at the Dutch Mill and the newlyweds left for a trip through Upper Peninsula and Canada. They will make their home at 320 S. 9th St. The bride is a 1965 graduate of Gladstone High School and her husband graduated from the same school in 1964.

Births

People

Dr. and Mrs. Fernley Stoneman of Grand Rapids and daughters are visiting Mrs. Stoneman's mother, Mrs. Al Heidenreich, 1022 9th Ave. S. and with her aunt, Mr. and Mrs. John Nystrom.

If you want that oven-fried chicken to have a crisp exterior, bake it in a hot (400 degrees) oven.

Arkens - Sholander

MRS. LARRY ARKENS (Delta Studio)

The altars of St. George's Church in Bark River were decorated with multi-color gladiolus and white stock Saturday for the 4 p.m. wedding ceremony uniting Jean Marie Sholander and Larry Joseph Arkens in marriage.

Soloist at the services was Sue Fletcher, accompanied by Christine Nault. Rev. Thomas Dunleavy performed the double ring ceremony for the daughter of Mr. and Mrs. Ruben Sholander, 1409 8th Ave. S. and the son of Mr. and Mrs. Joseph Arkens, Rte. 1, Bark River.

and white carnations in a cascade bouquet were accented by camellia foliage.

Mothers' Attire Mrs. Sholander wore a tan knit dress and coat ensemble with brown accessories and pinned a picardy glamelia. The bridegroom's mother was attired in a two-piece brown knit ensemble with a yellow glamelia corsage.

Guests were greeted at Mar-co's Starlite Room followed by a dance with Harland Lippold's Orchestra. Yellow gladiolus, white mums and yellow carnations appointed the tables. Assisting at the reception were Mrs. Raymond Hewlett, Mary Beth Christensen, Susan Plowman, Ann DeGrand, Mrs. Gary Bonetti and Vicki Rode.

The newlyweds will make their home at U.S. 41 Trailer Court in Negaunee. Both are enrolled for the fall semester at Northern Michigan University. They are both graduates of Bay de Noc Community College. The bridegroom also attended Michigan Technological University and has been employed by the Escanaba Paper Co. The new Mrs. Arkens was an employee of the U.P. Family Life Bureau.

A rehearsal dinner was held Friday evening with the bridegroom's parents as hosts.

Rock

Mrs. James Wittman, James and Terry and Miss Luann Wittman have returned to West Allis, Wis., after visiting with Mr. and Mrs. Arnold Sayen.

Mrs. Clarence Sayen of Riverside, Ill., spent several days visiting the Arnold Sayen family.

Mr. and Mrs. Nick Bezzine have purchased a home in Gallatin, Tenn., and will be moving there shortly.

Frank Brander was admitted to the Sloan Nursing Home in Gladstone last week.

Minority Forces To Test Strength

GRAND RAPIDS (AP) — Michigan's anti-Humphrey Democrats, some still ranked by their losses in Chicago, were expected to test their political muscle again this weekend at the party's state convention.

Minority anti-administration forces claim to have gained strength since the spring convention in Detroit, which sent a delegation strongly weighted in favor of Vice President Hubert Humphrey to the Chicago national convention.

Fights could come tonight in caucuses and Saturday on the convention floor as delegates choose 21 presidential electors, nominate candidates for nine statewide offices, pick district party officers and consider resolutions.

To Plan Strategy

Anti-Humphrey delegates, including backers of Sens. Eugene McCarthy and George McGovern

and the late Sen. Robert F. Kennedy, planned to meet tonight and plan their strategy for Saturday's convention.

Like Michigan's Republicans, who held their fall convention here last weekend, Democrats Saturday will nominate one candidate for the State Supreme Court and two each for the State Board of Education and the governing boards of the University of Michigan, Michigan State University and Wayne State University.

Democrats will also pick their 21 electors, as Republicans did in the spring.

Two electors at large will be

Another Kavanagh

chosen by the convention and one elector will be named by delegates from each of the state's 19 congressional districts. The electors will cast Michigan's official votes for president if their party's candi-

date wins the state's popular vote Nov. 5.

Widely mentioned as the Democratic nominee to the technically nonpartisan Supreme Court is Thomas Giles Kavanagh, now a judge on the State Court of Appeals. There is already a Justice Thomas M. Kavanagh on the high court.

The Democratic choice will face incumbent Justice Michael D. O'Hara of Menominee, whom the Republicans renominated last Saturday.

In Service

Staff Sgt. Donald M. Sprague Jr., son of Mrs. Donald M. Sprague of 424 S. 18th St., Escanaba, has been graduated from a U. S. Air Force technical school at Kessler AFB, Miss. He was trained as a computer repairman and has been assigned to a unit of the Strategic Air Command at Offutt AFB, Neb. The sergeant is a graduate of Escanaba Senior High School. His father, Donald M. Sprague, resides at 333 Mendoza Ave., Coral Gables, Fla.

Holiday Hours Set Labor Day At Post Office

Post offices will observe regular holiday schedules on Labor Day, Sept. 2.

Mail will be picked up from Ludington St. boxes and all side street star boxes and processed for outgoing dispatch, but there will be no regular window or delivery service.

Special delivery service will be available, and post office lobbies in Escanaba and Gladstone will be open for mail deposit, access to lock boxes, and purchase of stamps from machines.

Persons in India speak more than 800 languages and dialects, ranging from Hindi, spoken by about half the population, to Assamese tongues used by merely a handful.

Germfask Birth

A former resident and her husband, Mr. and Mrs. Anthony Begola of Pontiac are the parents of a daughter, Christine Ann, who weighed 9 pounds, 3 ounces at birth, Aug. 15. Mrs. Begola is the former Lanita Anderson. Grandparents are Mr. and Mrs. Anthony Begola Sr., of Detroit and Mr. and Mrs. William Anderson of Germfask.

Attend Convention

Mrs. Vera Doran of Germfask and Mrs. Mrs. Ferdinand Van Loo of St. Clair Shores attended memorial services for Gold Star parents at the National VFW Convention held at Cobo Hall in Detroit. Mrs. Doran and Mrs. Van Loo are members of the Doran-Keating Ladies' Auxiliary to VFW Post 6030 at Germfask.

Jack Wappes of Martinsville, spent a few days here. Mrs. Wappes and the children returned home with him. They had spent several weeks visiting at the home of her parents, Mr. and Mrs. Warren Harris.

Mr. and Mrs. R. Lawrence motored to Petoskey Thursday.

Mr. and Mrs. Robert Burns and family and her mother, Mrs. Iva Gail of St. Louis, Mo., are visiting at the home of his parents, Mr. and Mrs. Ling Burns.

Mr. and Mrs. William Stone of Columbiaville and their daughter and husband, Mr. and

Notre Dame Plans Gogebic Co. Lab

SOUTH BEND, Ind. (AP) — The University of Notre Dame has disclosed plans to develop 5,500 acres of Wisconsin and Michigan land bequeathed to the Indiana school in 1943.

The university said the land will be used as a remote conference site and for nature research.

The property in Gogebic County, Mich. and Vilas County, Wis., has timber, several lakes and some swamp area. It was left to Notre Dame by Martin Gillen, a New York city financial advisor.

A building complex built by Gillen adjacent to a lake has been used by the university for several years. The only construction planned in the immediate future, the school said, will be a rudimentary laboratory on Tenderfoot Lake.

after visiting her mother, Mrs. Pauline Rose and family and other relatives in this area.

On The Sidelines

With Mike Utt

The Upper Peninsula high school football season is here again and two local teams swing into action Saturday on their home fields. Both teams play in the Great Northern Conference and many people are concerned about how they will do in the conference race.

★ ★ ★
Last year's champion, the Escanaba Eskymos, return with a veteran team which includes 13 lettermen from last year's unbeaten squad. Jim Olsen, Dan Mylander and Ken Robitaille provide the running power and returning quarterback Greg Johnson will be throwing the bombs to his rangy end John Moberg, who led the Eskymos in receiving last year. The line is anchored by veteran co-captain John Mileski.

★ ★ ★
Holy Name will field a young team this season with only eight seniors on the squad and 12 lettermen returning from last year's team which posted a 3-5 mark. Quarterback Bob McGinn, fullback Dan Young and halfback Joel Sinclair return to bolster the backfield and opening holes in the line will be John Dailey, Pete Quinn, Pete Ross, Dick Gorenchan, Glen Theoret and Joe Gasperich. McGinn will be throwing passes to veteran ends Tom Creten, Dan Patrick and Richard Rusch.

★ ★ ★
The Menominee Maroons lost only to unbeaten Escanaba last year and have hard-running backs, a veteran line and new material from an undefeated junior varsity team to bolster their hopes of staying on the Eskymos' heels again this season. Pat Collins and Rick Nerat return from last year's starting eleven and they will receive help from Craig Butler and Dewey Bellise. Maroon coach Ken Hofer states that all positions are open.

★ ★ ★
Kingsford has nine senior lettermen returning from a squad which posted a 6-3 record last year. The Flivvers were hit hard by graduation losing 25 players. Top returnee is lineman Mike Kosovec. Kingsford promises to give everything it has to Great Northern Conference foes.

★ ★ ★
Iron Mountain lost back of the year in the U. P. Rudy Steiner but have eleven lettermen working out among 29 players. The Mountaineers lost 19 players through graduation from a team which recorded a 7-2 record last year. Iron Mountain opens its conference schedule at Holy Name Saturday night.

★ ★ ★
West Iron County, the newest school in the conference, has 16 lettermen from last year's Iron River and Stambaugh teams. The combination of the two schools to form West Iron County had a combined 6-10 mark last season. A pair of big tackles, Jan Quarless and Mark Ponzio, bolster the line. Coach Don McDonald states that he has veterans at every position and they have made progress.

★ ★ ★
The magazine, "Michigan Football," rates Escanaba as the team to beat with Menominee, again, close on its heels. Don't bet that the final game of the season between the two local schools, Escanaba and Holy Name, won't have some effect on the standings.

Iverson, Paquette Win Norway Feature Races

Bob Iverson of Hyde and Ron Paquette of Kingsford captured the feature races Thursday night in Norway before a small crowd as the Dickinson County Fair opened.

In the modified feature, Iverson took the lead from Don Benoit on the fifth lap and then battled with Don Schuppel of Slinger, Wisconsin for the next 15 laps before finally picking up the checkered flag. It was one of the closest races of the evening with Iverson winning by a half a car length over one of the top rated drivers on the Milwaukee circuit. It was the 35th win for Iverson.

In the second heat, Schuppel this time beat Iverson to the finish line. Iverson spun slightly in the corner on the third lap and Schuppel whipped by and was never headed. Schuppel had started the evening by taking

ing fast time with a clocking of 19.33. Orvis Valquette of Escanaba led all the way to pick up the first heat win.

Paquette captured a wild sportsman feature that saw many cars smashing and banging into each other as they fought for positions. Art Richer of Schaffer rolled over twice coming into the corner but walked away uninjured. After two restarts, Paquette took the lead on the seventh lap, picked up the checkered flag, and his ninth win of the year.

Pat Temple of Norway and Al Dill of Kingsford battled for the lead in the semi-feature with the lead changing hands several times before Temple passed Dill on the twelfth for the win.

In the third heat, John Kroll moved out to an early lead but an accident caused a restart on the sixth lap and when the green flag dropped Jim Beauchamp of Kingsford jumped in to the lead and led for the remainder of the race. In the second heat, Ron DeBardardi of Norway picked up his first win of the year, while Mike Badini also won for the first time this year in the first heat.

Modified:
First heat - 1. O. Valquette, 2. Don Benoit, 3. Bob Ross
Second heat - 1. Schuppel, 2. B. Iverson, 3. Ken Iverson
Feature - 1. B. Iverson, 2. Schuppel, 3. Benoit
Fastest Qualifier - Schuppel, 19.33
Sportsman:
First heat - 1. Badini, 2. Floyd Schoen, 3. Al Dill
Second heat - 1. DeBardardi, 2. Bob Fayas, 3. Joe Hafekorn
Third heat - 1. Beauchamp, 2. Jim Barron, 3. Herb Iverson
Semi-feature - 1. Temple, 2. Dill, 3. Fayas
Feature - 1. Paquette, 2. Barron, 3. Willie Gasbarro
Fastest Qualifier - Art Richer 22.64

Gridder Suffers Ruptured Brain

LAS VEGAS, Nev. (AP)—An autopsy showed Thursday a high school junior died last Friday from a rupture of the brain suffered in a head-to-head tackle in football drills.

Richard Mayne, Clark County coroner, said 16-year-old Douglas J. Gervais was wearing a properly fitted helmet during the drills at Rancho High School.

Paul Arenaz, principal, said Douglas was thrown backward in a blocking drill and reported his neck was burning. Arenaz said the youth went into convulsions and died at a hospital.

JERRY NYMAN, Chicago White Sox rookie making his first major league appearance on the mound, lets fly with a pitch in his shutout victory over the New York Yankees Wednesday night. As a youngster, Nyman said he was a Yankee hater. "Probably because in my kid days they were monopolizing the pennant and I'm always the underdog." (AP Wirephoto)

Howard's Homer Stops Baltimore

By The Associated Press
The Washington Senators have had their troubles moving forward, but they overcame them long enough to put the Baltimore Orioles in reverse.

The Senators entered Baltimore two days ago buried in last place in the American League while the Orioles had climbed within four games of leading Detroit.

Washington departed Thursday night still locked in the cellar, but left the Orioles moving backward, six games behind the Tigers after losing twice to the Senators.

Frank Howard's home run put the brakes on the Orioles Wednesday night and the king-sized slugger teamed with Ken McMullen and rookie Gary Holman to beat Baltimore 5-4 in 11 innings Thursday night.

In other games, the Chicago White Sox slipped by the New York Yankees 1-0 and Minnesota tripped Cleveland 3-2 in night contests and Boston crumbled Oakland 11-2 in daylight.

The Senators played their last place role for seven innings against rookie Roger Nelson, making his first start of the season. They had only four hits and trailed 3-0. Then came the start of the turnabout.

A walk and shortstop Mark Belanger's error on a potential double play sent McMullen up with two on and one out and he unloaded his 18th homer for a tie game. Howard followed with his 38th blast on the next pitch.

Baltimore got back on the beam temporarily when Brooks Robinson, who doubled in two earlier runs, singled home the tying run in the eighth. But Holman, who pinch hit unsuccessfully in the eighth and stayed in the game, followed Bernie Allen's one-out double off Eddie Watt, 4-5, with a two-out, game-winning single.

Luis Aparicio followed Tom McCraw's leadoff bunt single and a sacrifice in the seventh with a run-scoring hit against Steve Barber, 6-5, for Chicago's victory.

First Joel Horlen, 9-11, and then Wilbur Wood, who relieved in the ninth, protected the run with a seven-hitter.

Bob Allison's 18th homer with one out in the eighth broke a tie and gave Minnesota its triumph behind Jim Kaat's six-hit pitching. He struck out 10 as he raised his record to 11-10.

Reggie Smith led Boston's bombardment with his first grand slam homer, his 10th of

the season, and a run-scoring ground out. Joe Foy added two homers for three runs, making it easy for Dick Ellsworth, 12-6, who relieved injured starter Dave Morehead in the second inning.

Flight Pairings At Country Club

Defending champion Dave Andrews tees off at noon tomorrow against Bill Eis Jr. in the championship flight of the Escanaba Country Club's Men's Championship tournament. Andrews defeated Don Feller for the title last season.

The pairings:
Championship

Lolich Shuts Out Angels; Tigers Take 6-Game Lead

DETROIT (AP) — Mickey Lolich, unlike super pitcher Denny McLain, says he doesn't think he'll win 30 games this year or get a big contract to play the organ in Las Vegas.

"I play the drums a little," Lolich said haltingly after blanking the California Angels 2-0 on a three-hitter Thursday night. "But I don't expect any offers."

The victory moved the

Mickey Lolich

Grand Dads Play Golf Sept. 8 At Highland Club

The second annual Grand Dad's golf tournament will be staged at the Highland Golf Club on Sunday, September 8. As a new feature this year, grand dads from the Escanaba Country Club and the Gladstone Golf Club have been invited to participate in the event.

It is an 18-hole medal event with handicap, and the tee-off time will be 9:00 a. m. Sherman Robinson, chairman for the event, said that all proceeds realized from entry fees will be directed to the Delta United Charities.

A very attractive putter will be presented to the tourney winner. The other prizes will also be available, Robinson said.

Any granddad wishing to play in the tournament is asked to sign up at the Highland before Friday evening. Those from the Escanaba Country Club and Gladstone are asked to give their 18 hole handicap with their entries.

more slippery and breaks better."

Lolich got all the help he needed in the fourth inning when Willie Horton slammed his 31st home run off loser George Brunet, 13-13.

The 400-foot blast landed in the upper right center field stands, the same place he socked one as a schoolboy in an all-star game at the age of 16.

"The one I hit in high school was in the same area but it wasn't hit as hard," said Horton.

The blast was the first hit off Brunet, the southpaw from Allouez, in the Copper Country, who gave up only one other hit in seven innings.

Horton drove in an insurance run in the eighth with a single. With two out, relief pitcher Clyde Wright walked Dick Tracewski and Mickey Stanley's single put runners on first and third. Horton then beat out a grounder to deep short, scoring Tracewski.

Lolich gave up all three hits in the first two innings and retired the last 20 Angels he faced.

"The last time I did that was in the Babe Ruth League in 1955," Lolich quipped.

He gave up leadoff singles to Vic Davalillo and Jim Fregosi in the first. Both runners advanced when third baseman Tracewski dropped a throw from catcher Jim Price on a double steal attempt.

HERE NOW THE SNOWMOBILE THAT MAKES FUN NO PROBLEM

SKI-DOO '69

NORDIC SERIES

Built for family snowmobiling, everything about Ski-Doo Nordic is new... from its wider 16" track to its automatic cigarette lighter. And new Nordic gives you a smoother, more stable ride — without losing any of Ski-Doo's famous sportiness.

OLYMPIC SERIES

Olympic is the lowest priced snowmobile in its class. And Olympic is so perfectly powered, so beautifully balanced — it gives you that sporty, responsive ride no other snowmobile can match. No wonder more people start snowmobiling with Ski-Doo Olympic than any other make.

ALPINE SERIES

Alpine is the most light-footed Ski-Doo of all. With its twin 15" tracks, Alpine can climb steep mountain slopes — race across open snowfields. You never have to worry about digging in or bogging down — no matter how deep or fluffy the snow.

RESERVE YOUR 1969 SKI-DOO NOW. OUR "NO PROBLEM" FINANCING MAKES IT EASY

Cardinals Rap Pirates' Sticky Pitches To Win

By The Associated Press

The Pittsburgh Pirates had the right idea but the place for pine tar was on Lou Brock's spikes, not Bob Moose's hand.

Brock stole four bases and the St. Louis Cardinals rapped the Pirates 5-0 Thursday night, smacking Moose and his somewhat sticky pitches for four runs and six hits in less than three innings.

The Cards complained that Moose had pine tar on his pitching hand and the umpires ordered him to the dugout in the middle of the third inning to clean his hand. He came back to face four batters, surrender a walk and two singles and leave again—this time for a relief pitcher.

Elsewhere in the National League Thursday, New York shut out Cincinnati 2-0, Atlanta blanked Philadelphia 6-0 and Houston rapped San Francisco 6-1. Chicago and Los Angeles were not scheduled.

Brock, who scored twice, had

JIM BEAM BOURBON— MAKING NEWS SINCE 1795

CLERMONT, KY.—173 years ago Jacob Beam started making Beam Bourbon here in Kentucky. It is still being made here today. And still by the Beams.

Along with inspired skills, the making of a Bourbon like Beam requires an unusual combination of land, climate and natural materials. And it's all here, in north central Kentucky.

There's the ancient, underlying limestone springs that supply sweet, clear water—a vital ingredient in the making of fine Bourbon.

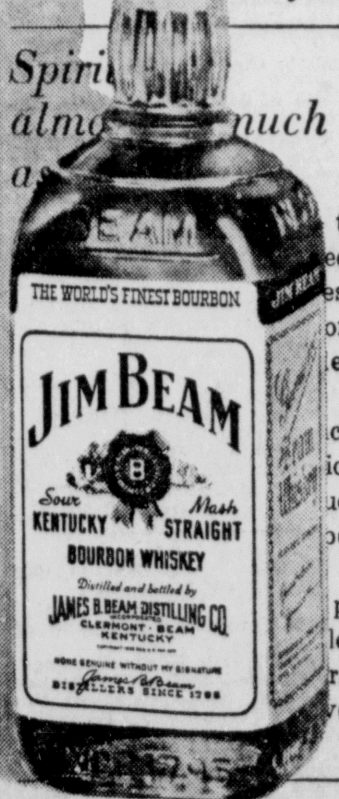

The rich, fertile, surrounding valleys and plains provide the needed corn, rye and barley.

And then there's the great forests of this area. It's in these woods, from the all-important takes place.

The quality of Beam Bourbon is due much to the tradition and adherence to the original formula.

Michigan's Largest Selling Bourbon

Beams who make Jim Beam. Every glass of today's Beam Bourbon is the best from nature and made that was passed on to David Jones Baker and Booker Noe 173 years.

Jim Beam 86 proof Kentucky Straight Bourbon Whiskey distilled and bottled by the James B. Beam Distilling Co., Clermont, Beam, Kentucky.

livered a wrapup run in the sixth.

Cal Koonce and Ron Taylor combined for a two-hitter against the Reds, giving the Mets their 62nd victory—one more than New York managed all of last season.

Koonce, making his first start after 45 relief appearances, stymied Cincinnati until the seventh when Taylor took over. Bud Harrelson had three hits for the Mets and Cincinnati's Pete Rose went hitless, ending a 19-game batting streak.

Phil Niekro fired a two-hitter at Philadelphia and Atlanta used home runs by Felipe Alou, Hank Aaron and Deron Johnson to beat the Phillies.

Niekro didn't allow a runner past first base and won his 11th game. Alou and Aaron both homered in the first and Johnson connected in the eighth as the Braves pinned a fifth straight loss on the Phillies.

Houston pounded Juan Marichal for six runs in less than two innings and cruised past the Giants on Dave Giusti's four-hitter.

Denis Menke tagged a three-run homer in the first inning and the Astros knocked Marichal out after 1 2-3 innings—the earliest kayo of his career. It was the second straight loss for the Giant right-hander, now 23-7.

Attendance Over 20 Million Mark

NEW YORK (AP) — Major league baseball attendance has exceeded 20 million for the seventh consecutive season in 1968. Commissioner William D. Eckert disclosed Thursday.

The total through Tuesday's games was 20,076,167. The final paid attendance last year was 24,308,350.

Nine teams have passed the million mark this year. St. Louis leads the National League with an aggregate of 1,770,296 while Boston tops the American League in home attendance with 1,603,309.

Daugherty Determined Spartans To Be Better

EAST LANSING (AP)—The "new" Duffy Daugherty is slim and soft-talking but determined Michigan State will have a better football season this year than last.

"I lost 37 pounds," was Daugherty's first announcement at Thursday's press preview of Spartan football prospects.

"Mostly off my head," he added. "After a season like last year, we have to get away from any fatheaded, complacent attitude."

Daugherty, starting his 15th season as MSU head coach, had a 3-7 won and lost record in 1967—his worst as Spartan football boss.

Daugherty now has his weight down to 187 pounds, just about his playing weight when he was a linesman for Syracuse. The Orangemen, incidentally, will be the first opponent MSU meets this fall, Sept. 21, at East Lansing.

"We'll have a better team than last year," Daugherty promised "although maybe that is damning with faint praise. We'll have a young team. There probably won't be more than four or five seniors on our first offensive and defensive units."

Daugherty explained his main problem this fall very simply: "To find two good first string units—offensive and defensive."

Michigan State will be helped by the return of more than half a dozen cripples. Most of them didn't play in a single game last fall.

The list includes defensive halfback Clifton Hardy, line-backer Calvin Fox, defensive guard Tody Smith, defensive tackle Roger Ruminski, full-back Dick Berlinski and line-backer Dave Schweinfurth.

"Our defense will be a lot better now that we have recovered all those cripples," Daugherty said. "And we have a happy knack of bouncing back after a bad season."

The offensive setup isn't quite sure as yet. Bill Feraco, the most experienced, will get starting call at quarterback. Sophomores Scooter Longmire and Bill Triplett will be pushing him.

Earl Anderson has been doing a good job at fullback but will have to struggle for the spot with the return of Berlinski. Tailback Lamar Thomas, recovering from a knee sprain, will have to compete with Don Highsmith and Tommy Love.

A group of experienced lettermen will be playing both offense and defense. Frank Waters will alternate as defensive halfback and flanker. Al Brenner, leading pass-snatcher last year, will be both split end and safety.

Daugherty was asked if the two-day workout by Negro players last spring would hurt the team. The Negro athletes were demanding more coaches of their own race and other concessions.

"I don't anticipate any problems," Daugherty said. "I don't know of any school in the country that has given any athlete, black, white or Polynesian fairer treatment."

He was asked if it was sheer coincidence that the four teams he listed as the probable top powers in the Big Ten this year all will play Michigan State. Daugherty's top picks were Purdue, Ohio State, Indiana and Minnesota.

"Not at all," he said. "Purdue, by its own admission, has the finest team in its history. Indiana, by its own admission, is better than last year. Ohio State, by its own admission, is vastly improved. Minnesota, by its own admission, is going to have a powerhouse."

Michigan State is modestly ranked as a dark horse by Daugherty.

The team, according to Daugherty, is in almost as good shape physically as their slenderized coach. All were required to see how far they could run in 12 minutes as part of their physical examination. Most were able to make nearly two miles, Daugherty reported.

The 75 players invited back for practice will work without pads this week with concentration on the basics and the kicking game. Man-to-man scrimmage will start Tuesday. The first all-out hitting is scheduled for Wednesday.

Eight Clubs Plan For World Series

NEW YORK (AP) — Representatives of eight major league baseball teams will meet with Commissioner William D. Eckert on Sept. 5 to make arrangements for the 1968 World Series, it was announced Thursday.

Clubs invited to send representatives were St. Louis, Cincinnati, San Francisco and Chicago of the National League and Detroit, Baltimore, Boston and Cleveland of the American.

The Series is scheduled to start Oct. 2 in the city of the National League champion.

Redskins Hold On To Drop Lions

By The Associated Press

The Cleveland Browns encounter the Buffalo Bills tonight, their first American Football League opposition ever, and the National Football League sorely needs a Browns' victory.

The AFL holds a 10-5 edge over the NFL and needs only two more victories to clinch the interleague, preseason series with eight games remaining, six of them this weekend.

There also are two AFL games on tap tonight—Cincinnati vs. the New York Jets at Memphis, Tenn., and Denver against San Diego at San Antonio, Tex.

The Washington Redskins scored 16 points in the second period and held on for a 16-10 victory over the Detroit Lions in an NFL game at Washington Thursday night.

Jerry Allen ran three yards for the first touchdown and Jim Ninowski passed 25 yards and Jerry Smith. Both touchdowns were set up when the Lions were penalized on third down after Washington drives apparently had stalled.

The Redskins got a safety

when linebacker Ed Breeding blocked a Jerry DePoyster punt in the end zone.

Detroit, who scored on a 59-yard pass from Bill Munson to Earl McCullouch and DePoyster's 37-yard field goal, lost a chance to win when Munson's 39-yard scoring pass to McCullouch late in the final quarter was nullified by offensive holding.

Cleveland is expected to make its first appearance against an AFL team a victorious one as the Bills have serious problems at quarterback.

Buffalo's regular quarterback, veteran Jack Kemp, tore ligaments in his right knee in a scrimmage last Monday and will be lost for the season. No. 1 backup man Tom Flores also is on the injured list with a sore passing arm and is ineligible to play.

This means the Bills will go with rookie Dan Darragh and Kay Stephenson, obtained from San Diego Wednesday, at quarterback.

Frank Ryan and Bill Nelsen will be at quarterback for Cleveland, which will have

Charley Harraway at halfback in place of the injured Ernie Green.

The Browns go into the game with a 2-1 record, Buffalo at 2-1-1.

San Diego, 2-2, meets Denver, 1-2, fresh from an upset over the NFL Los Angeles Rams. Denver will have to stop John Hadl, who passed for 300 yards and two touchdowns against the Rams.

With regular quarterback Steve Tensi sidelined with a broken collarbone, John McCormick, attempting a comeback at 31, is expected to start for Denver.

The Jets, who won their last two games after an opening loss, could get some unexpected trouble from a Cincinnati team that was perked up by an upset victory over the NFL Pittsburgh Steelers last weekend.

Cincinnati 1-3, was tough on rushing against Pittsburgh, allowing the Steelers only 29 yards, but the Bengals' main problem against New York will be stopping the passing of Joe Namath. Namath saw his first action last weekend and threw for two touchdowns in a triumph over the NFL Atlanta Falcons.

Saturday's schedule has three interleague games—Baltimore, NFL, at Miami, AFL; Kansas City, AFL, at Los Angeles and Dallas, NFL, at Houston, AFL. New Orleans is at Atlanta and Green Bay takes on Pittsburgh at Milwaukee, Wis., in NFL games Saturday.

Oakland of the AFL plays at NFL San Francisco and Minnesota is at St. Louis in an NFL game.

St. Louis is at St. Louis in an NFL game Saturday, in NFL games Saturday.

Oakland of the AFL plays at

NFL San Francisco and Minnesota is at St. Louis in an NFL game Sunday, while Philadelphia, NFL, plays Boston, AFL, at Cambridge, Mass., Monday.

The Minnesota-St. Louis game Sunday night will be televised nationally.

Grid Officials See Expansion

MEMPHIS, Tenn. (AP) — Professional football officials have changed their minds and now envisage another league expansion as early as 1970, with Memphis along five cities under consideration, the Memphis Press-Scimitar said Thursday.

The newspaper said the combined American and National Football Leagues are conducting an exhaustive study of the effects of the expansion program of the past two years.

If the study reflects a favorable response from fans in the new pro football cities, then the next expansion likely will come in 1970 rather than later, the newspaper said, adding:

Births

REHN — Mr. and Mrs. Oliver Rehn, 639 Arbutus, are the parents of a girl born Wednesday, Aug. 28, at Schoolcraft Memorial Hospital. The baby weighed eight pounds, five ounces. The mother is the former Beverly Fetterly.

MANISTIQUE

City Firemen Burn Building

The house at 341 Lake St., owned by Mr. and Mrs. Louis Landwehr, was burned by the city Thursday morning.

City manager Robert Noe said the city crews cooperated with the Landwehrs in their decision not to renovate the structure but rather destroy the building. The Landwehrs consulted with two contracting firms who advised that the cost of remodeling the building, to conform with existing city housing codes, would be prohibitive.

On July 8, the Landwehrs were given 30 days by city council to repair the building after the city manager recommended that the structure be condemned as "unfit for human habitation and in a state of complete disrepair."

Noe said that in most cases the city will burn a building at no cost to the owner if it is practical to do so; in cases where a building cannot be fired but must be knocked down and hauled away the operation is performed by city crews at cost to the property owner.

The Landwehrs reportedly have sold the lot on which their property was situated to someone who plans to build a new home. The Landwehrs did not occupy the house at 341 Lake St., but rented it. They live on Rte. 1, Manistique.

Noe said that three more structures within the city are coming up for condemnation and will be included on the agenda for the next city council meeting, Sept. 9. At last week's meeting, council approved condemnation of a vacant house on the far end of N. First St.

City crews have finished installation of 400 feet of new sewer line in the 700 block on Manistique Ave. between Potter and Cattaraugus Streets, Noe said. Sealcoating of Manistique Ave. from U.S. 2 to Potter St. has been completed and the necessary road-bed preparation work on Steuben, between Oak St. and Park Ave., is being done before sealcoating is started. Manistique Ave. will also be sealcoated between Potter and Saginaw Streets.

Man, 70, Wife Hurt In Crash

A 70-year-old man and his 72-year-old wife were admitted to the Schoolcraft Memorial Hospital Wednesday after being injured when a car driven by their 16-year-old grandson rolled over.

Mr. and Mrs. Edward Komane of Hicksville, Ohio, were injured in a one-car accident on U.S. 2 near Delta County Rd. 495 at 3:20 p.m.

Dale Komane, 16, of Leo, Ind., told State Police that the car began swerving, due to a soft tire, and that he lost control. The car went off the right side of the road and rolled over.

Dale Komane sustained cuts and bruises but did not require hospitalization.

At 7 p.m. Wednesday, State Police investigated an accident on M-77 near Blaney Resort. An auto driven by Gwendolyn Martin, 36, of St. Joseph, was attempting a left turn when struck in the rear by a car driven by Joseph Blaha, 31, Strongsville, Ohio, officers said.

Blaha told officers he was unaware Mrs. Martin was making a left turn and was attempting to pass the vehicle when the accident occurred. No injuries were reported.

SHIRT-SLEEVE diplomacy in the Philippines. Michigan's former governor G. Mennen Williams, wears a native shirt made of pineapple fiber in his role as newly appointed ambassador to the islands.

Car Production In Full Swing

DETROIT (AP) — New car production more than doubled this week as the four major domestic automakers experienced their first full week of production of 1969 models.

Automakers scheduled 101,965 cars for assembly this week, for a 121 per cent increase compared with 46,080 built last week, the trade publication Automotive News reported.

For the first time, all divisions of the four automakers are producing 1969 models at all plants.

In the same week a year ago,

U. S. plants produced 139,974 units.

General Motors Corp. led the way this week, increasing its production from 3,019 to 39,366 cars.

Ford Motor Co. increased its assemblies from 14,918 last week to 28,200 and Chrysler Corp. scheduled 28,800 units compared to 24,234 a week ago. American Motors Corp. plans to assemble 5,472 cars, compared with 3,732 last week.

Total calendar-year production reached 5,653,960, compared with 4,754,211 a year ago.

PLASTERED LAWYERS

NEW DELHI (AP) — Lawyers of the Delhi High Court are on a sit-out strike.

Reason: They claim chunks of plaster fall on their heads inside the court.

Society To Hear Minister's Wife

Mrs. Theodore Doane, wife of the newly-installed pastor of the First United Methodist Church, will be the guest speaker when the Women's Society of Christian Service meets at 8 p.m. Sept. 4 in Fellowship Hall of the church.

Mrs. Doane will discuss "A Glimpse of Church Architecture" from her personal observations and travels in the United States, Europe, and South America. She will show colored slides to illustrate her remarks.

Plans for two projects — Operation Talent and the fall festival and bake sale — will be completed during the business meeting. Mrs. Robert Hoar and Mrs. Ronald Fiegel will be hostesses for the evening.

State Police Plan Recruit School

EAST LANSING (AP)—Michigan State Police plan to open a week of training for the 72nd recruit school Monday at Fort Custer, Battle Creek. The training will include precision driving techniques, heavy weapons practice and pistol shooting, in addition to routine classroom work and calisthenics. This is the first time in recent years that recruit training for this length of time has been given away from East Lansing headquarters.

Holes along the edge of an abalone shell are for the escape of water discharged by the gills.

Two Are Injured In Boat Mishap On Indian Lake

Roland Jacobson and daughter, Allison, of Toledo received emergency treatment from a local physician following a boating accident on Indian Lake Tuesday.

The Jacobson boat, a 14-foot aluminum boat rented for the afternoon, was rammed by a boat driven by Jennifer Orr, 15. Jennifer told the Sheriff's department, who investigated the accident, that she didn't see the Jacobson boat.

The Orr boat, with one passenger, was pulling a water skier. Passengers in the Jacobson boat were Jacobson's wife, Betty Jean, daughter, Allison, and son, Garrett.

Only 20 more days!!

Our supply is dwindling. So are the prices. We'll do almost anything to win you over. Because it's that time of the year for us to give even greater deals so we can clear the decks for the 1969 models. And it's that time of the year for you to get a great deal on a new 1968 Plymouth. We're not about to lose you now. Come on in.

'69 prices are going up. If you want to beat them, be our guest. All reliable sources indicate that 1969 automobile prices generally

will go up. But you won't be able to beat them when we run out of '68s.

Immediate Delivery. Immediate Financing. That means exactly what it says. If not sooner. Have you got a couple of hours to spare?

All models—lots of Furies. What would you like your Plymouth to be? A Fury? Barracuda? Road Runner? Belvedere? Satellite? Station wagon? Convertible? You've got it. Most models, most colors, too.

FINAL CLEARANCE ON 1968 PLYMOUTHs.

(But the end is near.)
